**Postmillennial Romance Fiction** Emma Roche, 2023-04-21 This book interrogates the significance of the revival and reformulation of the romance genre in the postmillennial period Emma Roche examines how six popular novels published between 2005 and 2015 Twilight Fifty Shades of Grey Gone Girl Sharp Objects and The Girl on the Train reanimate and modify recognisable tropes from the romance genre to reflect a neoliberal and postfeminist cultural climate As such Roche argues these novels function as crucial spaces for interrogating and challenging those contemporary gender ideologies Throughout the book Roche addresses and critiques several key attributes of neoliberal postfeminism including a pervasive emphasis on individualism and personal responsibility an insistent requirement for self monitoring self surveillance and bodywork the celebration of consumerism and its associated pleasures the prescription of mandatory optimism and suppressing one s negative emotions and the endorsement of choice as a primary marker of women s empowerment While much critical attention has been devoted to those attributes and their pernicious effects Roche argues that one crucial repercussion has been largely overlooked in contemporary cultural criticism how these ideologies function together to effectively sanction gender based violence Thus Roche exploits textual analysis to demonstrate the subtle ways in which neoliberal postfeminism can augment women s vulnerability to male violence

**Fifty Shades of White** Gary Edwards, 2016-09-15 Fifty Shades of White is Gary Edwards s fifth book and he returns with more fabulous rib tickling tales that come with half a century of following one of the most talked about football clubs in the world Like the time he was asked to accompany a four and a half foot tall monk with a large hearing aid who hadn t previously left his abbey for 25 years to a Leeds United game as part of a BBC documentary Or the time he escaped from hospital still in his hospital gown and attached to a catheter a blood bag several needles and with two tampons stuck up his nose to travel 70 miles up the A1 in a thunderstorm for a relatively meaningless Leeds game at Darlington There is a fascinating controversial

and hilarious insight into Leeds United's former owner Ken Bates gleaned from being a special guest at his birthday and Christmas parties for eight consecutive years Fifty Shades of White gives a unique fan insight into the club and a life devoted to Leeds United    **Minutes of the Annual Meeting** Woman's Christian Temperance Union,1877    **Pelican Key** JB
