Mega Sports Camp 2013:

Legacy, Sustainability and CSR at Mega Sport Events Pierre Lienhard, Holger Preuss, 2014-07-05 The UEFA European Football Championship 2008™ EURO 2008 was the largest sports event ever organized in Switzerland. The host nations Austria and Switzerland emphasized the sustainability of the event. Through their analysis, the authors argue that well-known principles of sustainability and policy were not uniformly implemented for the EURO 2008. Nonetheless, this book shows how in Switzerland a legacy was created through the implementation of corporate governance and social responsibility policies by UEFA, the Swiss Government, and the Swiss Football Association. This book offers an unprecedented resource for sports practitioners and researchers. It provides a wealth of data based on the study of existing scholarly literature, key strategic and conceptual documents, as well as exclusive interviews with high-level executives involved in the organization of EURO 2008.

American Jewish Year Book 2013 Arnold Dashefsky, Ira Sheskin, 2013-11-25 This book in its 113th year provides insight into major trends in the North American Jewish community, examining Jewish education, New York Jewish national and Jewish communal affairs, and the US and world Jewish population. It also acts as an important resource with its lists of Jewish Institutions, Jewish periodicals, and academic resources, as well as Jewish honorees, obituaries, and major recent events. It should prove useful to social scientists and historians of the American Jewish community, Jewish communal workers, and the press, among others. For more than a century, the American Jewish Year Book has remained and continues to serve, even in the Internet age, as the leading reference work on contemporary Jewish life. This year's volume, with its special reports on Jewish education and the New York community and its updates on Jewish population statistics, Jewish institutions, and the major Jewish figures who passed in the year past, continues this splendid tradition. Pamela S. Nadell, Chair, Department of History, American University, and Co-editor, *Making Women's Histories: Beyond National Perspectives*. The 2013 volume of the American Jewish Year Book impressively demonstrates that Arnold Dashefsky and Ira Sheskin have restored this important resource in all its former glory. Bruce A. Phillips, Professor of Sociology and Jewish Communal Service, Hebrew Union College Jewish Institute of Religion, Los Angeles. Having a current American Jewish Year Book on my shelf is like having a panel of experts on American Jewish life at the ready, prepared to give me thoughtful, accurate answers and observations on the key issues, trends, and statistics that define our continental Jewish community today. Well into its second century, the American Jewish Year Book continues to be an essential resource for serious leaders, practitioners, and students who seek to ground their work in solid research and up-to-date data. Jacob Solomon, Greater Miami Jewish Federation President and CEO.

Event Volunteering. Karen A. Smith, Leonie Lockstone-Binney, Kirsten Holmes, Tom Baum, 2014-05-09 Volunteers make important contributions across the spectrum of event settings, most visibly at high-profile mega events such as the Olympic Games. They are volunteers, are lauded as Games makers, unsung heroes, and the like. Less visibly, volunteers are the heart and soul of community events and festivals, often undertaking multi-faceted roles from event

leadership through to operations and ensuring that these celebrations are made possible in the absence of big budgets and professional event staff This book is the first to showcase and advance international research into the volunteering experience at events drawing on the work of key scholars in this field Events of all sizes benefit from volunteer support but event volunteering research is frequently case study based and individually these cases make a limited impact This text brings together cases from around the world specifically including those that expand theoretical and methodological boundaries It features mega events like the 2012 Olympics and the 2011 Rugby World Cup alongside music festivals and sports events New areas that are examined include the benefits of event volunteering for students the role of volunteers in social enterprise events and new methodological approaches to researching this phenomenon specifically ethnographic and cross national studies This innovative book acts as a global source of key information for practitioners and researchers an important text for students of event management and will provide stimulus for further work in this emerging area *Sport Tourism, Island Territories and Sustainable Development* Derek Van Rheenen, Olivier Naria, Ricardo Melo, Claude Sobry, 2024-07-01 This edited volume discusses the role of sport tourism in local sustainable development in small island territories Using an international comparative study this volume explores the contributions of sport tourism to sustainable development in island settings Written by 25 research teams across ten seas oceans and island archipelagos chapters present comparative findings with the view of assisting stakeholders and decision makers in collaboratively and responsibly developing island territories in accordance with specific sustainable development goals Presenting a refined comparative methodology at the intersection of sport tourism and sustainable development this book is geared towards academic researchers and students interested in sport tourism sports economics management and sustainable development as well as professionals

Sport Tourism Development James Higham, Tom Hinch, 2018-04-23 This book critically explores sport related tourism drawing on the fields of sport management the sociology of sport consumer behaviour sports marketing economic urban and sports geography and tourism studies It presents multidisciplinary perspectives of sport tourism as structured by the geographical concepts of space place and environment The volume offers a comprehensive update of the discussions presented in the two previous editions recognising the significant growth in sub elite participation sports and addresses spectator based sport events participation based sport events active sport and sport heritage activities It aims to advance theoretical thinking on the subject of sport tourism development and critical thinking on the interplay of local and global forces in sport and tourism development It continues to be an important text for students and researchers in tourism studies human geography sports geography sociology of sport sports management sports marketing and history of sport
