**My Life (Complete)** Richard Wagner,2020-09-28 I was born at Leipzig on the 22nd of May 1813 in a room on the second floor of the Red and White Lion and two days later was baptized at St Thomas s Church and christened Wilhelm Richard My father Friedrich Wagner was at the time of my birth a clerk in the police service at Leipzig and hoped to get the post of Chief Constable in that town but he died in the October of that same year His death was partly due to the great exertions imposed upon him by the stress of police work during the war troubles and the battle of Leipzig and partly to the fact that he fell a victim to the nervous fever which was raging at that time As regards his father s position in life I learnt later that he had held a small civil appointment as toll collector at the Ranstadt Gate but had distinguished himself from those in the same station by giving his two sons a superior education my father Friedrich studying law and the younger son Adolph theology My uncle subsequently exercised no small influence on my development we shall meet him again at a critical turning point in the story of my youth My father whom I had lost so early was as I discovered afterwards a great lover of poetry and literature in general and possessed in particular an almost passionate affection for the drama which was at that time much in vogue among the educated classes My mother told me among other things that he took her to Lauchstadt for the first performance of the Braut von Messina and that on the promenade he pointed out Schiller and Goethe to her and reproved her warmly for never having heard of these great men He is said to have been not altogether free from a gallant interest in actresses My mother used to complain jokingly that she often had to keep lunch waiting for him while he was paying court to a certain famous actress of the day When she scolded him he vowed that he had been delayed by papers that had to be attended to and as a proof of his assertion pointed to his fingers which were supposed to be stained with ink but on closer inspection were found to be quite clean His great fondness for the theatre was further shown by his choice of the actor Ludwig Geyer as one of his intimate friends Although his choice of this friend was no doubt mainly due to his love for the theatre he at the same time introduced into his family the noblest of benefactors for this modest artist prompted by a warm interest in the lot of his friend s large family so unexpectedly left destitute devoted the remainder of his life to making strenuous efforts to maintain and educate the orphans Even when the police official was spending his evenings at the theatre the worthy actor generally filled his place in the family circle and it seems had frequently to appease my mother who rightly or wrongly complained of the frivolity of her husband How deeply the homeless artist hard pressed by life and tossed to and fro longed to feel himself at home in a sympathetic family circle was proved by the fact that a year after his friend s death he married his widow and from that time forward became a most loving father to the seven children that had been left behind     Mein Leben Richard Wagner,1915     Mein Leben mit Wagner Christian Thielemann,2012-09-17 Kein heutiger K nstler hat sich so leidenschaftlich mit Richard Wagner befasst wie Christian Thielemann In diesem Buch schildert er seinen Lebensweg mit dem Komponisten von seinen Berliner Anf ngen ber Venedig Hamburg Chicago bis nach Bayreuth Er f hrt pers nlich durch

die Opern stellt deren mythisch menschliche Helden vor und schaut in Wagners Giftpflicht wo die narkotischsten Klänge der Welt gemischt wurden Daneben lässt er uns in die Werkstatt des Dirigenten blicken Was muss er alles beachten wenn sich Wagners Zauber am Abend von neuem entfalten soll Vor welchen Fallen muss er sich hüten Und worin besteht die Einzigartigkeit von Bayreuth Wagner wurde seit seinem Tod leidenschaftlich verehrt und leidenschaftlich verabscheut Auch damit beschäftigt sich dieses Buch Am Ende aber macht es allen Kennern wie Debatten klar warum sich ein Leben mit Wagner lohnt Einige Abbildungen können aus lizenzierten Gründen leider nicht im E Book angezeigt werden **Das Leben Richard Wagners** C.F. **Richard Wagner: My Life** Richard Wagner, 1983-11-17 This reprint is of the first English paperback edition of Richard Wagner's autobiography This is a primary document of enormous importance for all Wagner enthusiasts being virtually the sole source of information of the composer's childhood and youth Written for Wagner's second wife Cosima and his patron King Ludwig II the autobiography runs from the composer's birth up to the eve of his fifty first birthday in 1864 Given the intended readership and the circumstances of its composition it is hardly surprising that Wagner should either omit or distort facts from time to time he does not linger over previous affairs he portrays his relationship with his first wife Minna as a good deal more distant than it really was and he plays down his involvement in the Dresden uprising of 1849 Despite all this the book presents a panoramic view of Wagner's times and contemporaries and offers a unique perspective on the operas themselves This translation is of the complete edition published in Munich in 1963 and based on the manuscript in the Wagner Archives in Bayreuth Wagner's slips of memory are noted as are references to obscure names and events **Das Leben Richard Wagners: Bd. 1. 2.
