**Nelleke Nicolai**

## Meisjeshoofd En Meisjeshart:

*Emotieregulatie als basis van het menselijk bestaan* Nelleke Nicolai, 2017-12-09 Emotieregulatie is een primaire levensvoorwaarde niet minder belangrijk dan eten en drinken Tegenover comfortabele emoties als blijdschap en geluk staan immers ook emoties als afgunst angst jaloezie schaamte schuld verdriet walging en woede Daar moet een mens mee zien om te gaan En dat maakt helpen bij emotieregulatie bijna synoniem aan psychotherapie Wie er gewoonlijk in slaagt om positief met zijn emoties om te gaan is evenwichtig Maar er zijn eindeloos veel omstandigheden denkbaar waarin het evenwichtsgevoel faalt De kunst van dat evenwicht bewaren kan door iedereen getraind worden al dan niet geholpen door een coach of hulpverlener In dit boek beschrijft Nelleke Nicolai het alfa en omega van emotieregulatie Ze maakt daarbij onderscheid tussen affecten onbewuste reacties op externe prikkels emoties deels bewuste en deels onbewuste reacties op prikkels en gevoelens emoties waaraan actief een betekenis wordt toegekend **The Reception of Jane Austen in**

**Europe** Anthony Mandal, Brian Southam, 2007-10-13 This volume of international research provides a wide ranging account of Jane Austen's reception across the length and breadth of Europe from Russia and Finland in the North to Italy and Spain in the South In historical terms the survey ranges from the near contemporary since Austen's novels were available in French very soon after their original publication to modern times in those countries which for various reasons linguistic historical or ideological have taken up the novels only in recent years For many Austen's novels are valued for their romantic content as love stories but increasingly they are being perceived as sophisticated ironic narratives In this the quality of translation has been a significant factor and the many film and television adaptations have played an important part in establishing Austen's reputation amongst the public at large It will be seen from this that across Europe Austen's reception history is far from uniform and has been shaped by a complex of extra literary forces *Adult Catalog: Fiction* Los Angeles County Public Library, 1970
