#### Product Experiences

"Not long after acquiring a kitten she accidentally scratched me as I picked her up. The scratch was not deep but it became fiery red, sore and took several days to settle down. Even today I have slight scarring. Not long ago she scratched me again but this time the scratch was deeper and longer—the joys of life with a kitten. I showed my husband the scratch and he suggested I try the Melaleuca Oil T36-C5 on it. I could not believe the results! The redness and stinging died down within the next hour. I re-applied the Melaleuca Oil T36-C5 a couple of times that day and three days later, all signs of the scratch were completely gone."

Carol Alston, NSW

"I had a very small but painful cut on my fingertip. It had started to get infected so I got my Melaleuca Oil T36-C5 and put it straight on my cut. The next day the swelling had gone down and the pain was gone and my cut has healed nicely. Thank you Melaleuca!"
