*The Military Chaplains' Review, Vol. 16 (Classic Reprint)* ,2015-07-17 Excerpt

from The Military Chaplains Review Vol 16 Moses started it After a lengthy and turbulent attempt to lead an uncooperative bunch of people across difficult terrain after trying out the authoritative participative and laissez faire styles of leadership with little success he requisitioned and received a handbook on leadership It really wasn't a book It was more like a talking paper with ten bullets They were short simple and distributed in only Xeroxed copy Reaction to them was mixed The young enlisted men most of whom needed a haircut who were relaxing with a few drinks at the Golden Calf Inn said Man that's heavy Others said Gee Moses must have been stoned when he wrote that Still others said Leadership is intuitive You can't

restrict it to a few strokes of the chisel Nevertheless Moses called his troops to an early morning formation and announced Folks this is what the highest headquarters has directed Like it or not they're set in concrete Funny thing They worked Moses accomplished his mission Since the time of Moses everyone in the leadership and management business has felt compelled to duplicate that mountaintop feat and to come up with a set of rules principles guidelines theories pronouncements strategies directives musings or ramblings Some of them are pretty good almost as if they were divinely inspired Others are not so good and far from divinely inspired Either way the writing down of leadership guidelines often completes the right of passage for someone who aspires to the promised land of leadership Chaplain Richard Martin whose Chaplaincy was endorsed by the United Methodist Church served in the Army Chaplaincy for twenty four years His overseas assignments included duty in Thailand Vietnam and Europe Chaplain Martin served on the faculty of the Command and General Staff College and his last assignment was Command Chaplain U S European Command the senior chaplain position in Europe Chaplain Martin holds the Army's highest award for meritorious service the Distinguished Service Medal About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [Military Chaplains' Review](#) United States.
