Volume three continues the story of Abby and her three San Francisco friends as they seek to learn the secrets of how to create wealth in order to become financially independent. The focus is on the lessons to be learned from Abby's mother and grandmother. The story begins with how Abby's family created wealth when they lived on Hainan Island, China, lost that wealth when they were forced to migrate to Vietnam during the Second Sino Japanese War in 1938, created a second fortune while living in Vietnam, only to lose that as a result of the Vietnam War, and then created a third fortune after immigrating to America. How did they do that? Read the book to find out.      *Millionaire Baby - Cracking the Wealth Code* Suzanna Lam, 2019-11-11 *Millionaire Baby Cracking the Wealth Code The Complete Story* continues the story of Abby and her three San Francisco friends as they seek to learn the secrets of how to create wealth in order to become financially independent. In Volume One of this Special Edition, the women learn the secret to growing wealth without losing money on the Wall Street roller coaster. But as they begin to implement this new strategy, they realize they want to do more than just make their own lives better. They want to make the world a better place for everyone. They want to help everyone reclaim the fiercely independent soul that once defined America. In Volume Two, we are provided new insight into the mechanics that lay at the heart of their approach to financial independence. And in Volume Three, we learn how Abby's family was able to grow wealth again and again in spite of losing two fortunes as a result of fleeing the violence of the Second Sino Japanese War in 1938 and then the Vietnam War some thirty-seven years later. Discover how they were able to rebuild their fortunes and so reclaim control of their lives.
