*Beyond* Maryam Saligheh,2017-11-08 There is joy in every moment of life when you hear only the melody of divine love Throughout her lifes personal and spiritual journey author Maryam Saligheh has found the dimension of the Beyond to be the basis of all that exists Building on this foundation she developed the concept of the intercorrelation between the Beyond eternity and infinity Beyond considers the quest of the soul within as it seeks to reunite with the infinite you at the core of its being As a result of this reunion the soul gains the knowledge that it is an evolving life flowing in the atmosphere of eternity and climbing the ladder of infinity Saligheh emphasizes the growth of the soul through the tunnel of expansion from the dense cloud that is egos field of energy to higher realmslove well being oneness the infinite you God and ultimately the Beyond where our true origins begin This guide depicts the inner journey of the human soul and its evolution offering ways for you to shift your life in the direction of your dreams and desires

The Path of the Warrior Larry F. Jetmore,1997 The book is intended primarily for police officers and students of law enforcement who are searching for practical ways to resolve the ethical dilemmas that are a part of their chosen profession It is also useful for others in the caregiving professions who are questioning the significance of the work they do

and who want to make positive changes in their personal and professional lives The book s primary focus is on how today s police officer determines the right thing to do Four chapters investigate 25 specific subject areas including ethical decisionmaking in a combat environment police discretion organizational effect on police ethics ten ethical dilemmas facing police officers activating your belief system corruption politics and crime the law enforcement code of ethics and observations and discussions based on philosophical writings from the past     *Stockdale Paradox Christianity* Steve W.
