**How to Build a Castle in Minecraft** Alphabet Publishing, 2020-06-03

**How to Build a Castle in Minecraft** is just what it sounds like. Everyone wants to build a cool castle in Minecraft for young kids or beginners. But it can be frustrating for little ones to build something that is too big. Our book contains illustrated instructions that are simple, kid safe and leave plenty of room for creativity. Kids will learn to build a small castle with a throne room and towers. They'll also get some ideas for decorating the inside. Then they can play king of the castle. Do you have a young child who is getting into Minecraft? Are they frustrated by the other guides that are either too vague or too difficult to follow? They're not quite patient enough to build a realistic space shuttle or a giant castle and you don't want them watching YouTube for inspiration. That was me and my son. So I started this series for families like us. The Basic Minecraft for Kids series provides easy to read, kid safe guides to building the simple things kids like. We provide a simple build a few variations and ideas and then let them get creative. These guides are so clear and easy even parents can understand them.
