

# WHAT IS TEXT EVIDENCE?

**Text evidence:** the specific details or facts in a text that support our conclusions.

For example, if we read "The Tortoise and the Hare," we might reach the conclusion that *slow and steady wins the race*.

Why?

The rabbit moves quickly but makes stops; the tortoise's consistent, slow pace leads to its unlikely victory.

# Citing Text Evidence

## Mini-Lesson + Modeling

HOW TO CITE EVIDENCE

### THREE WAYS TO CITE:

#### QUOTE

Using the author's exact words.

**Example:**

According to the text, "Steakadeer pulled back, took his mouth loose off the glass of the food supply," which shows that he was extremely hungry.

#### PARAPHRASE

Retelling the text in your own words.

**Example:**

In the text, "Steakadeer pulled back, took his mouth loose off the glass of the food supply," which shows that he was extremely hungry.

#### SUMMARIZE

Providing a brief overview of the main details.

**Example:**

Throughout the passage, "Steakadeer pulled back, took his mouth loose off the glass of the food supply," which indicates that he's hungry enough to do this to get a meal.

## SCENE #3

Detective Carter narrowed his eyes as he stepped into the dimly lit office. A half-smoked cigarette smoldered in the ashtray, its tendrils of smoke curling toward the ceiling.

The desk was neat—the neat, not a single paper out of place, not even a stray coffee ring on the worn oak surface. Carter ran a finger along the edge of the desk, then glanced at the open window. The night air was cool, but a single bead of sweat traced a slow path down his temple. Something wasn't right.

### Question:

What can you infer about Detective Carter's thoughts or feelings in this scene? Cite *specific* pieces of evidence (by quoting, paraphrasing, or summarizing).

Includes  
chances  
to  
practice!
