*Change You Can Really Believe In* Joseph Toomey, 2012-04-27 No President in living memory has entered office with a greater amount of goodwill and broad bi partisan support than Barack Obama And few Presidents in living memory had arrived in Washington proclaiming such dramatically articulated vows to change the tone of politics to usher in an era of post partisanship in an effort to rally the nation behind his plan of enacting an ambitious program of social and economic change He vowed to enact a broad bi partisan agenda for health care reform energy transformation economic revitalization job growth and restoration of America's standing in the world And no President in living memory has more quickly and more completely abandoned his promises He enacted a health care plan that far more resembled plans he had bitterly criticized his opponents for supporting rather than the one his campaign outlined His promised job growth through economic stimulus measures drove up the unemployment rate to double digits leading to millions of job losses His vows to restore fiscal probity resulted in the most ruinous deficits and public debt in U.S. history His green energy program collapsed into a cesspool of crony political favoritism His vows to restore relations with hostile nations like Iran and North Korea had only deepened those nations' disdain for America Despite his harsh criticisms Obama adopted nearly every plank in the Bush era anti terror policy His promise to restore science to its rightful place resulted in the most rigidly inflexible program of ideological extremism in modern memory Even more noteworthy was the fact that the new era of post partisanship he had vowed to create in Washington resulted in the worst political gridlock in living memory This book examines in detail hundreds of campaign promises Obama made while running for President contrasting those with the record of failure and broken promises left in his wake It is a story that has received too little attention until now

inspired populist tsunami or return for four more years Obama in Office brings together well established political scientists and journalists to offer the first detailed assessment of President Obama and his first two years in office This book covers the range of policy tests which the administration has faced during this period including the recession and its jobless recovery health care reform financial regulation the BP oil leak in the Gulf of Mexico and the ongoing war in Afghanistan Looking beyond the midterms Obama in Office considers the results of 2010 the impact of the Tea Party and the prospects for 2012

*The Obama Presidency* Andrew Dowdle, Dirk C. van Raemdonck, Robert Maranto, 2012-03-29 At his inauguration President Barack Obama was seemingly poised to become America's strongest and most influential president since Ronald Reagan. However President Obama's first two years in office has led to some notable surprises. What accounts for the political stability and change demonstrated by the Obama administration? Which factors shaping a presidency are structural which are personal and which are driven by events? How will decisions made in the first two years of the administration affect its future course? What lessons can we glean from past presidencies? This timely volume of notable thinkers on the presidency presents scholarly as well as applied insights on Obama's administration at the half way point. Assessing the political context of his first two years, the inter branch relations and policy developments all provide the necessary grounding for students to make sense of the continuity and change that Barack Obama represents.

**President Barack Obama's First Two Years** William Arthur Galston, 2010

*Dear Senator* Paul F. Adan, 2012-02-01 Now that America is in the midst of another presidential campaign it's appropriate to take a look back at President Obama's first two years. Was he successful as President or was he a failure? Are we better off today or were we better off before he became President? You be the judge. This book explores the political landscape from a slightly different angle. It consists of emails which were written to the two Senators from Washington State during the course of Obama's first two years in office. In addition to the emails it provides an in depth analysis of current events at the time that each email was written.

*Enjoy and don't pull your hair out.* **Barack Obama: The Making of a President** Dawne Allette, 2010-04-01 I was not born into money or status. I was born to a teenage mom in Hawaii and my dad left us when I was two. But my family gave me love, they gave me education and most of all they gave me hope.

Punctuated with his own words this biography traces the people, places and experiences that made Barack Obama the powerful man he is today. His story takes us from Kenya to Hawaii and Indonesia to Chicago, embracing many cultures. It also reaches from the past to the present with photographs of Obama growing up and a timeline of significant events in black history. Barack Obama's story of hope and determination culminates with an account of his historic Inauguration Day and his first 100 days in office.

**President Obama and a New Birth of Freedom** Joseph Cummins, 2024-01-17 On this day we gather because we have chosen hope over fear, unity of purpose over conflict and discord. Starting today we must pick ourselves up, dust ourselves off and begin again the work of remaking America. Obama and Lincoln, two presidents for the people in unprecedented times in their own inspiring words. Witness history in the making as Obama takes the oath of office.

and becomes America's first African American president. Featuring Obama's inaugural address, Lincoln's first and second inaugural addresses, The Gettysburg Address, Exciting commentary, Biographies of Obama and Lincoln, Time line of U.S. presidents, And fun trivia. **The Obama Presidency** Bert A. Rockman, Andrew Rudalevige, Colin Campbell, 2011-07-26. In the latest volume in this classic series, Rockman, Rudalevige and Campbell once again bring together top notch scholars this time to take a comprehensive look at the first two years of Barack Obama's presidency. Assessing Obama's political strategy as well as his administration's successes and setbacks, chapter authors critically examine a presidency marked by continued partisanship, major policy battles and continued global turmoil. **The Barack Obama Presidency** J. Davis, 2011-12-15. Exploring the promise and peril associated with the opening two years of the presidency of Barack Obama, this book is a comparative look at the various aspects of his presidential strategy, including the impact of his legislative agenda, his use of executive power and the burgeoning disillusionment within the African American community. **Barack Obama, Mit 1 Audio-CD. Level 3 (A2)** Jane Rollason, 2013-09. **The First Family** Amelie von Zumbusch, 2010-01-15. Explores the daily lives of the First Family and describes how each member of the family spends the day.
