Obsessed Doretha Anderson, 2015-12-11 You're crazy Kay I can't stay with you for two months I have a job and a child to take care of remember And we will never be together again baby or no baby You might as well forget it Shut up she screamed Just you shut up and drive Turn at the next road There's nothing up that road Kay It is too I have a little cabin up there where I have been watching you every time you come down here And that's where you are going to deliver our baby When Alan got to the turn he hit the gas and sped by it Where are you going she screamed I told you to turn stop the car and turn around She hit him on the side of the head with the gun The blow to his head left Alan momentarily dazed and he fought to keep the big bronco under control Stop the car I tell you and turn around She grabbed the wheel turn around I said Let go of the wheel Kay let go She hit him again with the butt of the gun The big vehicle swerved back and forth across the narrow road tilted on the edge and began to roll over and over down the hill Alan heard Kay scream and the sound of glass shattering before he blacked out
