Paxton's Magazine of Botany Joseph Paxton, 2017-09-12 Excerpt from Paxton's Magazine of Botany And Register of Flowering Plants In the commencement of 1849 we entered on a wider field than we had previously occupied including in our work Notices and Cultivation of every thing connected with Gardening Although the plan did not admit of so many plates being given monthly yet perhaps an equal number of subjects have been figured with any former year and the amount of letter press has been much greater yet the alteration altogether has not been so satisfactory either to our subscribers or ourselves as could have been wished About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Paxton's Magazine of Botany, and Register of Flowering Plants, Vol. 2 (Classic Reprint) Joseph Paxton, 2017-10-17 Excerpt from Paxton's Magazine of Botany and Register of Flowering Plants Vol 2 The increasing interest exhibited during the past year in the introduction and culture of Flowering Plants may in a great measure account for the very extensive sale of the magazine OF botany which without doubt now surpasses that of any other work of the kind in this country From this unexpected success the Author is led to hope that his endeavours however humble About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Paxton's Magazine of Botany, and Register of Flowering Plants, Vol. 1 (Classic Reprint) Joseph Paxton, 2016-08-16 Excerpt from Paxton's Magazine of Botany and Register of Flowering Plants Vol 1 From time immemorial Flowering Plants have been objects of especial care and delight but probably at no period was there a greater interest exhibited both as regards the introduction of new ones or the cultivation of those we already possess than at the present Botanical collections are to be found in almost every part of the globe from the torrid regions of India to the cold and icy poles In consequence of these exertions great numbers of new plants are annually introduced and in a few years should these additions continue our present extensive collections will appear comparatively scanty and meagre That these valuable introductions may be rendered of general utility several splendid botanical works containing coloured figures are published periodically and during the past year nearly two hundred new plants have been

figured in them some of which are exceedingly beautiful About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Paxton's Magazine of Botany, and Register of Flowering Plants, 1839, Vol. 6 (Classic Reprint) Joseph Paxton,2016-11-15 Excerpt from Paxton s Magazine of Botany and Register of Flowering Plants 1839 Vol 6 Considering the already elevated and rapidly rising condition of botanical and oricultural science it is peculiarly encouraging to the editor of the magazine or botany to find that with so many other and more talented individuals exerting their powers in the same service his humble efforts to aid in spreading a higher intellectual appreciation of these interesting subjects meet with such stedfast and munificent support About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Paxton's Magazine of Botany, and Register of Flowering Plants, Vol. 12 (Classic Reprint) Joseph Paxton,2018-01-17 Excerpt from Paxton s Magazine of Botany and Register of Flowering Plants Vol 12 IT might be expected that at the end of so long a period as the twelve years during which the magazine or botany has been regularly issued some steps should be taken for so materially varying its character as to produce a new series or introduce it with a fresh aspect and arrangement About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Paxton's Magazine of Botany, and Register of Flowering Plants, Vol. 15 (Classic Reprint) Joseph Paxton,2018-03-03 Excerpt from Paxton s Magazine of Botany and Register of Flowering Plants Vol 15 We place the present volume in the hands of our subscribers believing it will be found as interesting and useful as any of its predecessors About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work

Botany and Register of Flowering Plants Vol 7 One of the principal circumstances for which this plant will be prized is the opportunity it will afford for uniting the rich colours of the species which have their owners arranged in at heads with the lengthy spicate disposition of the blossoms by which it is peculiarly characterized This must be effected by cross impregnation and is an object worthy of the culturist's assiduous attention Common propagation is performed in the usual manner by cuttings or layers The specific designation is that by which this plant is known in the Horticultural Society's Garden and expresses its particularly interesting aspect About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Paxton's Magazine of Botany, Vol. 13, 2018-01-22 Excerpt from Paxton's Magazine of Botany Vol 13 And Register of Flowering Plants Devoted as this Magazine is to a particular department of a science and confined to treating of what relates directly and indirectly to that department it were no wonder if a certain sameness of character could be traced in its now numerous volumes But that this does not exist even to the extent that might have been expected or beyond a degree which it is impossible to avoid we have pleasure as well as confidence in asserting And the privilege of many years acquaintance with our About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
