principals educational software developers researchers and students **Handbook of Evidence-Based Inpatient Mental Health Programs for Children and Adolescents** Jarrod M. Leffler, Alysha D. Thompson, Shannon W. Simmons, 2024-08-30

This book reviews the history of inpatient psychiatric hospital IPH and acute mental health services for youth. In addition, it highlights current IPH care models for children and adolescents, demonstrating an increase in the development and implementation of evidence-based informed EBI treatments in IPH and acute care settings. The book offers insights into program development, implementation, and measurement, as well as considerations for sustainability. Chapters describe interventions designed to enhance the well-being of youth and their families who are experiencing a range of mental health concerns. The book shares practicable strategies for measuring outcomes and applying these results to meaningful clinical outcomes in IPH and acute care settings. It also provides treatment referral resources and information about the process of accessing and using such services. Finally, the book reviews additional treatment resources that may be necessary in the continuum of mental health care for youth. Key areas of coverage include: Developing and constructing the physical and safety environment of an IPH unit and suicide and safety planning; Setting and monitoring treatment goals and discharge criteria; Equity, diversity, and inclusion considerations in psychiatric inpatient units; Program operations and therapy on a psychiatric inpatient unit for youth diagnosed with neurodevelopmental disorders; Disaster preparation and impact on inpatient psychiatric care. The *Handbook of Evidence-Based Inpatient Mental Health Programs for Children and Adolescents* is a must-have resource for researchers, professors, and graduate students, as well as clinicians, therapists, and other professionals in developmental, clinical, child developmental, and school psychology, social work, public health, child and adolescent psychiatry, family studies, pediatrics, and all related disciplines.

School-Based Consultation and Students with Autism Spectrum Disorder Elizabeth McKenney, 2020-08-09

School-Based Consultation and Students with Autism Spectrum Disorder examines the preventive and remedial powers of consultation for indirectly supporting the needs of youth with Autism Spectrum Disorder (ASD) through collaborating with their parents and educators. Given the unprecedented numbers of students with ASD in schools and the variety of evidence-based interventions currently available, consultation helps ensure appropriate service delivery across the range of student functioning. Focusing on foundational knowledge and skills that school consultants need to incorporate ASD service delivery into their research and practice, this text addresses consistent and effective service delivery for students with ASD to optimize their positive academic, behavioral, adaptive, and social communicative outcomes. Highlighting relevant cross-cultural research throughout its chapters, the book concludes with a section on future directions in the field that includes areas for improvement in meeting the needs of diverse students, families, and schools.
