*Roleplaying Games in the Digital Age* Stephanie Hedge, Jennifer Grouling, 2021-03-08 The Digital Age has created massive technological and disciplinary shifts in tabletop role playing increasing the appreciation of games like Dungeons Dragons Millions tune in to watch and listen to RPG players on podcasts and streaming platforms while virtual tabletops connect online players Such shifts elicit new scholarly perspectives This collection includes essays on the transmedia ecology that has connected analog with digital and audio spaces Essays explore the boundaries of virtual tabletops and how users engage with a variety of technology to further role playing Authors map the growing diversity of the TRPG fandom and detail how players interact with RPG related podcasts Interviewed are content creators like Griffin McElroy of The Adventure Zone podcast Roll20 co creator Nolan T Jones board game designers Nikki Valens and Isaac Childres and fan artists Tracey Alvarez and Alex Schiltz These essays and interviews expand the academic perspective to reflect the future of role playing

*Roll to Hit* Harry Slater, 2025-08-30 It might be unauthorized but this book sure is comprehensive This isn't just a book about a game The author focuses on the people who created it and expanded it over the decades as well as the people whose contributions have been hidden in the shadows A richly detailed exciting and frequently surprising history Booklist Roll to Hit An Unofficial History of Dungeons and Dragons is a deep dive into the story behind the world's most popular tabletop roleplaying game From its humble beginnings in a basement in a house in a small town in Wisconsin through the Satanic Panic and the boom and bust of the 90s all the way to a modern resurgence that has seen the game become a true pop culture phenomenon the book tells the tale of the people who have shaped D D through every step of its development But more than that it's a story of leaps of imagination of shocking circumstances and tragedies of conflicts and coming together both on the table and off From HG Wells playing with toy soldiers to multi million dollar movie deals from early war simulations to crazy homebrew campaigns the book explores the history of D D and asks why even after all this time its name remains a shorthand for the tabletop roleplaying experience As Dungeons Dragons reaches its fiftieth birthday and with the game is as popular as it's ever been regular players old school gamers and newcomers are going to find something here to excite and entice After all without them without the players there'd be no Dungeons Dragons at all

*Navigating Imaginary Worlds* Mark J.P. Wolf, 2025-06-16 This edited anthology offers a collection of essays that each look at various types of wayfinding Together they explore a variety of wayfinding tools and techniques and their applications as well as ways of keeping track of the construction of worlds too With transmedial worlds extending over multiple media multiple authors and sometimes even multiple decades of creation a wealth of different issues can arise worlds need to direct audience members into how to organize them conceptually Edited by Mark J P Wolf and featuring contributions from a distinguished set of authors from interdisciplinary backgrounds this book enriches the theory history and practice of world building through the exploration of navigation The essays have many overlapping concerns and together they provide the reader with a range of discussions

regarding wayfinding and the many ways it intersects with world building and world experiencing activities. Thus rather than just analyzing worlds themselves the anthology also asks the reader to consider analyzing the act of world building itself. This collection will be of interest to students and scholars in a variety of fields including Subcreation Studies, Transmedia Studies, Popular Culture, Comparative Media Studies, Video Game Studies, Film Studies, and Interdisciplinary Literary Studies.

**Adventurer's Guide** H. T. Martineau, 2025-03-04 When young Mara Green first entered Ambergrove in Ranger's Odyssey and learned that what she thought was fantasy was actually another world a real world that was the land of her ancestors Ambergrovian DUNGEONS DRAGONS was the natural next step Dawn of the Dragonwolf a campaign and mini core book allowed players to create Ambergrovian characters and play adventures that follow Mara's journey in Ranger's Odyssey. However at that time Mara's adventure was only just beginning This full Adventurer's Guide places players in the age after Mara's adventures the age when magic has returned to Ambergrove and other elements that had long since been lost to time have returned with it Your Ambergrovian Adventurer's Guide includes Seven playable races ten subraces and dozens of half race combinations Nine classes twenty five subclasses and five class spell books Seven player characters from the Dragonwolf trilogy and five player characters from Hammer and Flame The Ambergrovian language Grovish plus a QR code for the free downloadable font Additional worldbuilding information such as backgrounds special items companion creatures and other encounterable creatures Ambergrove's pantheon NPCs from the books and more Want to create a half Gnome and half Mining Dwarf earth Elemental a generic human from Minnesota who's suddenly fighting monsters in a fantasy land or even just play a game as a beloved book character You can Let this comprehensive guide take you deep into Ambergrove and experience this world for yourself

**Esports in Higher Education** George S. McClellan, Ryan S. Arnett, Charles M. Hueber, 2023-07-03 This comprehensive resource examines the rapidly growing esports phenomenon in higher education bringing the perspectives of players, administrators, and scholars together in one volume to discuss the basics of esports, how to start and maintain successful esports programs and issues and trends in the field. Esports are a global phenomenon with an estimated audience of 400 million people in 2018. Given their already strong base and rising popularity on college campuses, esports have been referred to as the new college football. This book offers practical insights into how to develop and maintain an esports program that is consistent with institutional purposes and values. The book is helpful to all types of institutions, small to large, public and private, 2 year or 4 year. It draws on current scholarship and the professional experience of the authors focused heavily on practical advice for higher education professionals. Among the challenges of esports in higher education the book addresses competition structure, competition climate, child protection, cheating, gambling, lack of reliable relevant data to inform decisions and the advent of an esports arms race. Some of the opportunities described in the book include student recruitment and success networks with high schools and partnerships with the esports industry. Done correctly, esports can provide a structured way for all students on campus, off campus and online to engage in both

curricular and cocurricular programming that can provide measurable learning outcomes and have a positive impact on retention rates    **Dungeons & Dragons Player's Handbook (Core Rulebook, D&D Roleplaying Game)** Dungeons & Dragons,2014-08-19 Create heroic characters for the world s greatest roleplaying game The Player s Handbook is the essential reference for every Dungeons Dragons roleplayer It contains rules for character creation and advancement backgrounds and skills exploration and combat equipment spells and much more Use this book to create characters from among the most iconic D D races and classes Publisher s Weekly 1 Best Seller in Hardcover Nonfiction Wall Street Journal 1 Best Seller in Hardcover Nonfiction In Dungeons Dragons you and your friends coauthor your own legend Guided by a Dungeon Master you create characters and play their roles in a story rolling dice and navigating maps as you unfold a tale as limitless as your imagination The Player s Handbook is the first of three D D core rulebooks along with the Monster Manual and the Dungeon Master s Guide The Player s Handbook is the cornerstone It s the foundational text of D D s fifth edition for beginners and for veterans alike The Player s Handbook walks you through how to create a Dungeons Dragons character the role you ll play in the D D world Dungeons Dragons is the world s greatest roleplaying game Created in 1974 D D transformed gaming culture by blending traditional fantasy with miniatures and wargaming
