God Inspired Life Godfrey Kesari,2022-09-30 Many live a self inspired life Many others live an others inspired life If we live a self inspired or others inspired life we could underdo things It is equally possible that we overdo things and get burnt out A God inspired life is not only the best way to live but it is also the only way to live as God intends us to live Life is a struggle We can get confused about our purpose passion and perception There is so much distraction in this world We can get muddled up Life can become messy Well nothing can revitalise our life than a renewed vision a vision to live for God in Christ If you feel you are not living the life you are meant to live this book is for you The Gospel, Freedom, and the Sacraments

Barry Charles Newman,2016-01-07 To be baptized particularly as an adult indicating a radical change from the self directed life to the life to be lived under the lordship of Jesus Christ must be one of the most dramatic experiences available to us To take part in the Lord s Supper remembering his death for us must be one of the most moving services in which we could ever participate But are these ceremonies obligatory for the believer Did Jesus explicitly or implicitly make them mandatory Does it not seem somewhat strange that the gospel by which we are freed from the Law of Moses demands that we abide by two new ceremonial laws However greatly they differed from one another did the reformers go far enough in examining the Scriptures to see what they did indeed say about such ceremonies Have we written back into our understanding of Scripture that so much underlies our present beliefs and practices Does an examination of what the early fathers thought help or hinder us in our search for the truth

Behold the Man Peter S. Williams,2024-06-18 After a substantial new essay examining the nature of a properly skeptical historical inquiry into Jesus of Nazareth in the context of contemporary worldviews from pre modernism to meta modernism Behold the Man presents revised essays on an eclectic range of issues from how the Epistle of James treats Jesus as Divine within decades of the crucifixion and an evaluation of recent arguments about the dating of the Fourth Gospel to debunking claims about Jesus and ancient aliens and furthering debate about the resurrection With a foreword by eminent New Testament scholar Craig L Blomberg and extensive recommended resources Behold the Man Essays on the Historical Jesus represents a wide ranging interdisciplinary engagement with historical Jesus studies
