**The Oxford Companion to Spirits and Cocktails** David Wondrich, Noah Rothbaum, 2021-10-20 The Oxford Companion to Spirits and Cocktails presents an in depth exploration of the world of spirits and cocktails in a ground breaking synthesis. The Companion covers drinks processes and techniques around the world as well as those in the US and Europe. It provides clear explanations of the different ways that spirits are produced including fermentation, distillation and ageing alongside a wealth of new detail on the emergence of cocktails and cocktails bars including entries on key cocktails and influential mixologists and cocktail bars

*Brooklyn Spirits* Peter Thomas Fornatale, Chris Wertz, 2016-01-12 In the popular tradition of farm to table cookbooks Brooklyn Spirits Craft Distilling and Cocktails from the World's Hippest Borough is the first distillery to glass cocktail book. Over the past two decades Brooklyn has become the epicenter of a Slow Food inspired food and drink revolution. Brooklyn distillers, restaurateurs, bartenders and cocktail aficionados are changing the way we drink by bringing back old techniques and recipes and creating new ones that focus on small batch distilling and fresh local ingredients. In 2002 craft distilling was made legal in New York State for the first time since Prohibition. Many Brooklyn based producers such as Greenhook Ginsmiths, Cacao Prieto, Industry City Distilling, Brueckelen and others have taken advantage of this. Organized into chapters focused on these distilleries, each chapter will take a in depth look at the distillery's story and the spirits they offer and will present half a dozen cocktail recipes. Within these chapters there will be sub sections on several varying topics: a look at the bars and restaurants serving the Brooklyn produced spirits, highlights on the work of local mixologists, and subsections on the history of distilling in Brooklyn. The book will consist of approximately 70 drink recipes like the Deathbed Manhattan, One Mint Julep and the Kickstarter a mix of updated classics and original cocktails contributed by Brooklyn distillers and bartenders and the authors 15 recipes for syrups, bitters and other ingredients to improve your cocktails.

Brooklyn Spirits presents an inspiring mix of recipes, profiles and history encouraging readers to not only make their own cocktails but to get involved on a do it yourself level and in the true Brooklyn spirit invent cocktails of their own.
