Alissa Burger,2021-03-22 A sprawling epic that encompasses many worlds parallel and alternate timelines and the echoes between these disconnects Stephen King's Dark Tower series spans the entirety of King's career from The Gunslinger limited edition 1982 revised in 2003 to The Wind Through the Keyhole 2012 The series has two distinctive characteristics its genre hybridity and its interconnection with the larger canon of King's work The Dark Tower series engages with a number of distinct and at times dissonant genre traditions including those of Arthurian legend fairy tales the fantasy epic the Western and horror The Dark Tower series is also significant in its cross references to King's other works ranging from overt connections like characters or places to more subtle allusions like the sigil of the Dark Tower's Crimson King appearing in the graffiti of other realities This book examines these connections and genre influences to consider how King negotiates and transforms these elements why they matter and the impact they have on one another and on King's work

When Texas Prison Scams Religion Michael G. Maness,2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars

Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004 ***Robots in Popular Culture*** Richard A. Hall,2021-07-12 Robots in Popular Culture Androids and Cyborgs in the American Imagination seeks to provide one go to reference for the study of the most popular and iconic robots in American popular culture In the last 10 years technology and artificial intelligence AI have become not only a daily but a minute by minute part of American life more integrated into our lives than anyone would have believed even a generation before Americans have long known the adorable and helpful R2 D2 and the terrible possibilities of Skynet and its army of Terminators Throughout we have seen machines as valuable allies and horrifying enemies Today Americans cling to their mobile phones with the same affection that Luke Skywalker felt for the squat R2 D2 Meanwhile our phones personal computers and cars have attained the ability to know and learn everything about us This volume opens with essays about robots in popular culture followed by 100 A Z entries on the

most famous AIs in film comics and more Sidebars highlight ancillary points of interest such as authors creators and tropes that illuminate the motives of various robots The volume closes with a glossary of key terms and a bibliography providing students with resources to continue their study of what robots tell us about ourselves *The Assimilation of Yogic Religions through Pop Culture* Paul G. Hackett,2017-10-23 The image of the meditating yogi has become a near universal symbol for transcendent perfection used to market everything from perfume and jewelry to luxury resorts and sports cars and popular culture has readily absorbed it along similar lines Yet the religious traditions grounding such images are often readily abandoned or caricatured beyond recognition or so it would seem The essays contained in *The Assimilation of Yogic Religions through Pop Culture* explore the references to yogis and their native cultures of India Tibet and China as they are found in the stories of many famous icons of popular culture from Batman Spider Man and Doctor Strange to Star Trek Doctor Who Twin Peaks and others In doing so the authors challenge the reader to look deeper into the seemingly superficial appropriation of the image of the yogi and Asian religious themes found in all manner of comic books novels television movies and theater and to carefully examine how they are being represented and what exactly is being said *Arts & Humanities Citation Index* ,1992 *Journal of Librarianship and Information Science* ,2007 **Forthcoming Books** Rose Arny,2002-04
