Daily Prayer with the Corrymeela Community Pádraig Ó Tuama, 2017-08-30 Corrymeela is Northern Ireland's oldest peace and reconciliation organisation Founded 50 years ago in the belief that people and communities can learn to live together well it is a dispersed Christian community with 200 members and 4000 friends worldwide hosting 11 000 guests each year Its leader is the writer and poet P draig Tuama At the heart of its life is a simple pattern of daily worship that is structured around meditation on the Gospels This prayer book captures the essence of the Corrymeela prayer experience for everyone who wishes to incorporate its spirituality into their regular prayer practice Structured over 31 days it offers for each day a Bible reading a reflection and a specially written prayer by P draig Tuama In addition it includes an introduction to the spirituality of welcome that sustains Corrymeela's remarkable work

Jesus James Martin, 2016-02-02 James Martin SJ gifted storyteller editor at large of America magazine popular media commentator and New York Times bestselling author of The Jesuit Guide to Almost Everything brings the Gospels to life in Jesus A Pilgrimage and invites believers and seekers alike to experience Jesus through Scripture prayer and travel Combining the fascinating insights of historical Jesus studies with profound spiritual insights about the Christ of faith Father Martin recreates the world of first century Galilee and Judea to usher you into Jesus's life and times and show readers how Jesus speaks to us today Martin also brings together the most up to date Scripture scholarship wise spiritual reflections and lighthearted stories about traveling through the Holy Land with a fellow and funny Jesuit visiting important sites in the life of Jesus of Nazareth The person at the heart of the Gospels can seem impossibly distant Stories about his astonishing life and ministry clever parables that upended everyone's expectations incredible healings that convinced even skeptics nature miracles that dazzled the dumbstruck disciples can seem far removed from our own daily lives hard to understand and at times irrelevant But in Jesus you will come to know him as Father Martin knows him Messiah and Savior as well as friend and brother

How to Ruin Your Education and TV Viewing Spencer D. Gear, 2022-03-31 What will you do as a parent if your fourteen year old comes home from school and says You and the teachers have been telling me Columbus discovered the Americas You've lied to me because that isn't true There are no such things as facts and I decide the meaning of what is written in my textbooks I'm the one who chooses the interpretation of any writing including history and the stories of Columbus How are you going to answer especially in light of what the Encyclopaedia Britannica states about Columbus This book examines how historical Jesus scholar John Dominic Crossan has dismantled education TV viewing by application and religious studies with his postmodern deconstruction of the text His theme is I formulate it here as I see it Texts and interpretations are out of the mind of Crossan Using a hypothesis testing technique the author challenges Crossan's perspective that Jesus's resurrection was an apparition and not a bodily resurrection Even though he calls on others to First read the text that is not what he does The philosophical crusher has found him out to be contradictory in his assessment of history in his autobiography and his own writings on the historical

Jesus *The Conceptual Worlds of the Fourth Gospel* Charles B. Puskas, C. Michael Robbins, 2021-01-08 Over and over again through John's story of Jesus are unforgettable ideas and concepts profoundly simple and simply profound for the author's own audience and beyond. These ideas did not originate in a vacuum. They have recurred and been repeated before and after the writing of the Fourth Gospel. For this reason, we will examine the meaning of its words and themes in the context of its Jewish Greco-Roman milieu. Much of our intertextual understanding will be derived from alleged parallels that involve comparisons of similar vocabulary and phrases as well as parallel concepts and images from the Old Testament, the Dead Sea Scrolls, Philo, and other relevant writings. Such parallels will help to determine the meaning of a word or expression, the translation of a particular language, determining any direct influences upon the Fourth Gospel, parallel traditions, or the influence of its ideas as a creative and inspiring work of later antiquity.

Becoming Nonviolent Peacemakers Eli Sasaran McCarthy, 2012-07-11 Why do many U.S. residents, Catholics, and Catholic leaders among them too often fall short of adequately challenging the use of violence in U.S. policy? The opportunities and developments in approaches to peacemaking have been growing at a significant rate. However, violent methods continue to hold significant sway in U.S. policy and society as the commonly assumed way to peace. Even when community organizers, policymakers, members of Catholic leadership, and academics sincerely search for alternatives to violence, they too often think about nonviolence as primarily a rule or a strategy. Catholic Social Teaching has been moving toward transcending the limits of these approaches, but it still has significant room for growth. In order to contribute to this growth and to impact U.S. policy, McCarthy draws on Jesus, Gandhi, Ghaffar Khan, and King to offer a virtue-based approach to nonviolent peacemaking with a corresponding set of core practices. This approach is also set in conversation with aspects of human rights discourse to increase its possible impact on U.S. policy. As a whole, *Becoming Nonviolent Peacemakers* offers an important challenge to contemporary accounts of peacemaking in the U.S.

Jerusalem in Memory and Eschatology Emma O'Donnell Polyakov, 2025-06-12 Investigating a range of eschatological ideologies, this volume explores the connection between notions of sacred space and time in Jewish, Christian, and Muslim understandings of Jerusalem. The recognition of Jerusalem as a holy city both unites and divides Judaism, Christianity, and Islam. While these three religious traditions share a reverence for the same ancient city, this veneration leads more often to tension and violence than to commonality and cooperation. Each of these religions draws heavily from religious memory and eschatological prophecies and sees Jerusalem as a site of past and future upheaval; however, the distinctions in their visions imbue Jerusalem with meanings that reinforce conflicting and contested ideologies. Offering multiple analyses of religious interpretations of the city and its sacred sites, this volume explores these divergent visions of the remembered and anticipated Jerusalem.

Studies and Texts - Pontifical Institute of Mediaeval Studies, 1955 *Come Forth* James Martin, 2023-03-08 Part exploration of the life and death of Lazarus, part spiritual direction on how that story can bring us to new spiritual life, part personal application of the story to Martin's own life, this remarkable testimony demonstrates the

power of a single Gospel story This is soul nourishing and highly recommended Ben Witherington III author of A Week in the Life of Corinth One of America's most beloved spiritual leaders and the New York Times bestselling author of The Jesuit Guide to Almost Everything and Learning to Pray examines one of the most intriguing events in the New Testament the story of Jesus raising Lazarus from the dead and explains its significance for us today In this wise and thoughtful book Father James Martin SJ analyzes the miracle of Lazarus's resurrection and asks us to consider what Jesus means when he calls Lazarus and each of us to come forth Taking us through the Gospel story verse by verse he offers deep reflection on the lessons it holds about love family sadness frustration fear anger freedom and joy Come Forth combines compelling analysis of the biblical text insights about the historical setting of the story meditations on Lazarus in art and the larger culture as well as stories of Martin's personal experiences As he explores these strands in depth Martin offers us a deeper understanding of this miracle and its essential message letting go of the limiting beliefs that prevent us from experiencing God in all His glory All of us have things that we need to let die in order to follow God more freely to love more deeply and to become the people whom God desires us to be Martin writes As this wise and profound book reveals we need only to open ourselves to the transformative story of Lazarus and trust that God can use it to free us to experience new life and come closer to Him
