Ex-Partner Stalking and Children Heng Choon (Oliver) Chan, Merja Laitinen, Anna Nikupeteri, 2024-12-23 Provides an authoritative overview of stalking behavior perpetrated by parents and its impacts on children Stalking targeted at one of the child's parents by the other poses a major psychosocial and physical threat to children's wellbeing and security Although interdisciplinary research on stalking has expanded in recent decades intimate partner ex partner stalking has been viewed as an adults only problem Ex Partner Stalking and Children brings together scholars and practitioners from different disciplines in the field to examine ex partner stalking as a psychosocial and criminological issue in children's and young people's lives Providing both theoretical and practical perspectives this comprehensive volume explores approaches for increasing awareness of parental stalking addressing its impacts on children and young people and advancing interventions and methods of support for them Throughout the text the authors challenge existing conceptions of intimate partner ex partner stalking as a phenomenon that exists only between the partners rather than a form of gendered violence that creates a victimizing environment for the children A novel contribution to both scholarly and practical understandings of ex partner stalking this important book Addresses a gap in knowledge on the socially ethically and legally challenging phenomenon of cases when one parent is stalking the other Offers insights and tools to help practitioners better recognize support and intervene in parental stalking situations involving children Examines research findings on stalking behavior including psychological and trauma perspectives Discusses best practices and working methods challenges in identifying the child's experiences and factors preventing children from receiving help Recommends future directions in promoting children's and young people's rights in ex partner stalking Part of the acclaimed Psycho Criminology of Crime Mental Health and the Law series Ex Partner Stalking and Children The Impact on Children When One Parent is Stalking the Other is essential reading for undergraduate and graduate students in disciplines such as criminology social work healthcare psychology and education and an invaluable resource for law enforcement staff nurses psychologists therapists social workers teachers and other professionals who work with victims of stalking

Economic Woman Frances Raday, 2019-05-14 The author introduces the concept of economic woman and makes her visible in duality with and opposition to the exclusive model of economic man Economic man has epitomized neo liberal capitalism which embraces competition and maximization of profit resulting in a steep increase in economic inequality The book demonstrates that women's inequality is a crucial factor in economic inequality which cannot be fully understood without relating to women's situation and that economic woman cannot thrive in the conditions of economic inequality created under global neo liberalism Emphasising the international human rights guarantees of women's right to equality in all fields of life the author documents woman's increased participation in political public financial and corporate institutions employment and entrepreneurship with some women reaching high profile positions Nevertheless using global data she reveals that economic woman lags behind with a severe economic power deficit

an unfulfilled promise of equal employment opportunity a gendered impact of poverty and barriers to gender equality in the family The book analyses the trap of women s increased burden of breadwinning in the context of discriminatory laws and practices infrastructural failures and policy gaps which preempt achievement of gender equality in economic life The book is intended for the general reader academics students policy makers and NGOs It shows economic woman at a global crossroads between a universal paradigm of gender equality and pervasive barriers to equal economic opportunity The author demonstrates that tackling gender inequality restoring welfare priorities and reducing economic inequality are inextricably linked Human rights and governments have a vital role to play in addressing them all to create a sustainable economic infrastructure for the lives of women and men

Intersectional Feminist Criminology Venezia Michalsen,2025-07-15 This pathbreaking book brings to bear a sweeping body of contemporary intersectional feminist work to disrupt the entire discipline of criminology Women have been largely absent from criminological theory research policy and practice This fresh conversational book critiques the field s dominant theories by analyzing gendered patterns of perpetration and victimization and challenging traditional criminological perspectives on characteristics such as race and queerness Designed as a rebuttal to conventional criminology textbooks the book mirrors standard course content through an intersectional feminist lens offering students a valuable opportunity to question the field s underpinnings and forge a new path to understanding the true meaning of justice Organized in fourteen chapters each chapter includes accessible learning aids for students A review of how traditional criminology textbooks cover the topic Critical perspectives on the topic Critical thinking breaks Intersectional Feminist Criminology is a timely intervention and companion to the curriculum that helps to imagine a new world and ultimately lays out a clear abolitionist vision as an alternative to the American criminal legal system

The Routledge Handbook of the Politics of the #MeToo Movement Giti Chandra,Irma Erlingsdóttir,2020-11-26 Since the MeToo hashtag went viral in 2017 the movement has burgeoned across social media moving beyond Twitter and into living rooms and courtrooms It has spread unevenly across the globe with some countries and societies more impacted than others and interacted with existing feminist movements struggles and resistances This interdisciplinary handbook identifies thematic and theoretical areas that require attention and interrogation inviting the reader to make connections between the ways in which the MeToo movement has panned out in different parts of the world seeing it in the context of the many feminist and gendered struggles already in place as well as the solidarities with similar movements across countries and cultures With contributions from gender experts spanning a wide range of disciplines including political science history sociology law

literature and philosophy this groundbreaking book will have contemporary relevance for scholars feminists gender researchers and policy makers across the globe **Sexual Assault on the College Campus** Martin D. Schwartz, Walter S. DeKeseredy, 1997-01-02 For many students coeducational college campus life is marred by traumatic experiences of sexual assault While there are many social determinants of rape and attempted rape this work examines the pivotal role of male peer support in legitimizing the sexual assault of women The authors use extensive prior studies together with their own investigations including a national representative study and local campus victimization surveys carried out in the United States and Canada *Pornography and Sexual Violence* Minneapolis (Minn.). City Council. Government Operations Committee, 1988 The complete transcript of Public Hearings on Ordinances to Add Pornography as Discrimination Against Women Minneapolis City Council Government Operations Committee December 12 and 13 1983
