

A night scene with two people running through a field towards a bright comet in the sky. The people are wearing reflective vests, and the comet is a large, bright, orange-yellow streak in the dark blue night sky. The scene is illuminated by a light source, possibly a flashlight, creating long shadows and highlighting the texture of the grass and the foliage of a tree on the left.

Thompson's the Hound of Heaven Francis P. Le Buffe,2015-07-06 Excerpt from Thompson s the Hound of Heaven An Interpretation This little volume is offered as an ascetical and scriptural interpretation of the poem The author refrains almost entirely from literary questions His one aim has been to attempt to clarify obscure passages and to give all passages the atmosphere that is required for them from Sacred Scripture and from standard ascetical principles for he feels that these

not only bring added light and pleasure to the understanding of the poem so instinct with invigorating thought but that they are necessarily demanded for even a superficial attainment of Thompson's thought. The whole poem is vibrant with spirituality and anyone who misses this is thereby hopelessly out of harmony with the whole theme. The author wishes to caution the reader that he has no intention of asserting that Thompson had such or such definite passages of Scripture in view. Such passages are offered as illuminative of the poem not necessarily as sources. Lastly the author wishes to express his indebtedness to his many Jesuit brethren who have so unselfishly aided him by encouragement, cooperation and constructive advice in this work.
