Encyclopedia of Hair Victoria Sherrow, 2023-03-30 This insightful volume on the culture of hair through human history and around the globe has been updated and revised to include even more entries and current information *Motion Picture Story Magazine*, 1913 **Dress in Mediterranean Antiquity** Alicia J. Batten, Kelly Olson, 2021-03-25 Insights from anthropology religious studies biblical studies sociology classics and Jewish studies are here combined to provide a cutting edge guide to dress and religion in the Greco Roman World and the Mediterranean basin Clothing jewellery cosmetics and hairstyles are among the many aspects examined to show the variety of functions of dress in communication and in both establishing and defending identity The volume begins by reviewing how scholars in the fields of classics anthropology religious studies and sociology examine dress The second section then looks at materials including depictions of clothing in sculpture and in Egyptian mummy portraits The third and largest part of the book then examines dress in specific contexts beginning with Greece and Rome and going on to Jewish and Christian dress with a specific focus on the intersection between dress clothing and religion By combining essays from over twenty scholars from different disciplinary backgrounds the book provides a unique overview of different approaches to and contexts of dress in one volume leading to a greater understanding of dress both within ancient societies and in the contemporary world **The Coffins of Little Hope** Timothy Schaffert, 2011-05-01 Timothy Schaffert has created his most memorable character yet in Essie an octogenarian obituary writer for her family's small town newspaper When a young country girl is reported to be missing perhaps whisked away by an itinerant aerial photographer Essie stumbles onto the story of her life Or it all could be simply a hoax or a delusion the child and child thief invented from the desperate imagination of a lonely lovelorn woman Either way the story of the girl reaches far and wide igniting controversy attracting curiosity seekers and cult worshippers from all over the country to this dying rural town And then it is revealed that the long awaited final book of an infamous series of YA gothic novels is being secretly printed on the newspaper's presses The Coffins of Little Hope tells a feisty energetic story of characters caught in the intricately woven webs of myth legend and deception even as Schaffert explores with his typical exquisite care and sharp eye the fragility of childhood the strength of family the powerful rumor mills of rural America and the sometimes dramatic effects of pop culture on the way we shape our world **The Rise of the Stylist** Philip Clarke, 2024-07-25 Defines a unique period in British youth culture and lifestyle publishing drawing on oral history editorial analysis and existing fashion and subcultural theory to chart the emergence of the stylist in the 1980s an ultimately postmodern role that became key to the production of fashion image **Pictorial Review**, 1918 Includes music **Culture and International Law** Hikmahanto Juwana, Jeffrey Thomas, Mohd Hazmi Mohd Rusli, Dhiana Puspitawati, 2019-09-03 In this era of globalization International Law plays a significant role in facing rapid development of various legal issues Cultural preservation has emerged as an important legal issue that should be considered by States This book consists of academic papers presented and discussed during the
