Jorge Mario Bergoglio and Abraham Skorka
*On Heaven and Earth:
Pope Francis on Faith, Family,
and the Church in the Twenty-First Century*

Translated by Alejandro Bermudez and Howard Goodman
(New York: Image, 2013), xvi + 236 pp.

Jean-Pierre Ruiz, St. John's University NY

What would have been the fate of this book if Jorge Mario Bergoglio, S.J. had not emerged on the loggia of St. Peter's Basilica on March 13, 2013 as Francis, the 266th bishop of Rome? It might perhaps have gone the way of *His Eminence and Hizzoner: A Candid Exchange* (New York: Morrow, 1989), the book co-authored by the late Roman Catholic Archbishop of New York Cardinal John O'Connor and his Jewish friend, the equally outspoken former mayor of New York Edward I. Koch. In that volume, now long out of print, the two public figures opined in print about a wide range of matters, about many of which they agreed to disagree, modeling both civility and good humor in a city where such encounters by leaders in the public square might have been expected to generate far more friction and heat than light. This new book, *On Heaven and Earth*, was first published in Spanish in 2010, three years before the Archbishop of Buenos Aires became pope. It was quickly translated and rushed onto bookstores' shelves for readers around the world who were eager to learn all they could about the first successor to the See of Peter from the Americas. The book's co-authors are Cardinal Bergoglio and his close friend Rabbi Abraham Skorka, rector of the Seminario Rabinico Latinoamericano "Marshall T. Meyer." Quite unlike *His Eminence and Hizzoner*, where the cardinal and the mayor took on issues such as the press, education, abortion, race, and housing in separate side-by-side portions of the book's chapters, the texture of *On Heaven and*

An Uncertain Certainty Graham Buxton, 2014-09-25 Many people in Christian ministry are tired of simplistic certainties what they need is permission to live with uncertainty with mystery ambiguity and paradox Because we live in a world that is far removed from the modernist version of reality with its rational clinical and superficial presentation of life we need the courage and wisdom to embrace the presence of uncertainties in the midst of certainty In this book the author offers snapshots of a number of central Christian topics God the gospel the church salvation ministry inviting us to treat them as features of a landscape to explore rather than a set of propositional statements to sign up to Each chapter short enough to provoke interest and curiosity will be a catalyst for deeper reflection and enquiry inviting us to discover a new freedom in ministry as we embrace a more generous both and perspective in place of a more narrow either or interpretation of the Christian faith In the process we may find ourselves rediscovering the Life we have lost in living as we imaginatively participate in the life ministry and mystery of the triune God of grace in our midst
