**Wendy Davies, Paul Fouracre**

## **Medieval Polities And Modern Mentalities:**

*Medieval Polities and Modern Mentalities* Timothy Reuter, 2006-11-02 This is a collection of influential and challenging essays by British medievalist Timothy Reuter a perceptive and original thinker with extraordinary range who was equally at home in the Anglophone or German scholarly worlds The book addresses three interconnected themes in the study of the history of the early and high Middle Ages Firstly historiography the development of the modern study of the medieval past How do our contemporary and inherited preconceptions and pre occupations determine our view of history Secondly the importance of symbolic action and communication in the politics and polities of the Middle Ages Finally the need to avoid anachronism in our consideration of medieval politics Throwing light both on modern mentalities and on the values and conduct of medieval people themselves and containing articles at time of publication never previously been available in English this book is essential reading for any serious scholar of medieval Europe

*Officers and Accountability in Medieval England 1170-1300* John Sabapathy, 2019-09-13 The later twelfth and thirteenth centuries were a pivotal period for the development of European government and governance A mentality emerged that trusted to procedures of accountability as a means of controlling officers conduct The mentality was not inherently new but it became qualitatively more complex and quantitatively more widespread in this period across European countries and across different sorts of officer The officers exposed to these methods were not just state ones but also seigniorial ecclesiastical and university college officers as well as urban communal ones This study surveys these officers and the practices used to regulate them in England It places them not only within a British context but also a wide European one and explores how administration law politics and norms tried to control the insolence of office The devices for institutionalising accountability analysed here reflected an extraordinarily creative response in England and beyond to the problem of complex government inquests audits accounts scrutiny panels sindication Many of them have shaped the way in which we think about accountability today Some remain with us So too do their practical problems How can one delegate control effectively How does accountability relate to responsibility What relationship does accountability have with justice This study offers answers for these questions in the Middle Ages and is the first of its kind dedicated to an examination of this important topic in this period

*The Languages of Gift in the Early Middle Ages* Wendy Davies, Paul Fouracre, 2010-09-02 This book is a collection of original essays on gift in the early Middle Ages from Anglo Saxon England to the Islamic world Focusing on the languages of gift the essays reveal how early medieval people visualized and thought about gift and how they distinguished between the giving of gifts and other forms of social economic political and religious exchange The same team largely that produced the widely cited *The Settlement of Disputes in Early Medieval Europe* Cambridge University Press 1986 has again collaborated in a collective effort that harnesses individual expertise in order to draw from the sources a deeper understanding of the early Middle Ages by looking at real cases that is at real people whether peasant or emperor The culture of medieval gift has often been treated as archaic and

exotic in this book by contrast we see people going about their lives in individual down to earth and sometimes familiar ways

Kingship and Consent in Anglo-Saxon England, 871-978 Levi Roach, 2013-10-17 This engaging study focuses on the role of assemblies in later Anglo Saxon politics challenging and nuancing existing models of the late Anglo Saxon state Its ten chapters investigate both traditional constitutional aspects of assemblies who attended these events where and when they met and what business they conducted and the symbolic and representational nature of these gatherings Levi Roach takes into account important recent work on continental rulership and argues that assemblies were not a check on kingship in these years but rather an essential feature of it In particular the author highlights the role of symbolic communication at assemblies arguing that ritual and demonstration were as important in English politics as they were elsewhere in Europe Far from being exceptional the methods of rulership employed by English kings look very much like those witnessed elsewhere on the continent where assemblies and ritual formed an essential part of the political order

**Rulers and Rulership in the Arc of Medieval Europe, 1000-1200** Christian Raffensperger, 2023-08-24 Rulers and Rulership in the Arc of Medieval Europe challenges the dominant paradigm of what rulership is and who rulers are by decentering the narrative and providing a broad swath of examples from throughout medieval Europe Within that territory the prevalent idea of monarchy and kingship is overturned in favor of a broad definition of rulership This book will demonstrate to the reader that the way in which medieval Europe has been constructed in both the popular and scholarly imaginations is incorrect Instead of a king we have multiple rulers male and female ruling concurrently Instead of an independent church or a church striving for supremacy under the Gregorian Reform we have a pope and ecclesiastical leaders making deals with secular rulers and an in depth interconnection between the two Finally instead of a strong centralizing polity growing into statehood we see weak rulers working hand in glove with weak subordinates to make the polity as a whole function Medievalists Byzantinists and Slavists typically operate in isolation from one another They do not read each other's books or engage with each other's work This book requires engagement from all of them to point out that the medieval Europe that they work in is one and the same and demands collaboration to best understand it

**Debating medieval Europe** Stephen Mossman, 2020-12-07 Debating medieval Europe serves as an entry point for studying and teaching medieval history Rather than simply presenting foundational knowledge or introducing sources it provides the reader with frameworks for understanding the distinctive historiography of the period digging beneath the historical accounts provided by other textbooks to expose the contested foundations of apparently settled narratives It opens a space for discussion and debate as well as providing essential context for the sometimes overwhelming abundance of specialist scholarship Volume I addresses the early Middle Ages covering the period c 450 c 1050 The chapters are organised chronologically and cover such topics as the Carolingian Order England and the Atlantic Archipelago the Vikings and Ottonian Germany It features a highly distinguished selection of medieval historians including Paul Fouracre and Janet L Nelson

**Æthelred** Levi Roach, 2016-09-15 An imaginative reassessment of thelred

the Unready one of medieval England's most maligned kings and a major Anglo Saxon figure The Anglo Saxon king thelred the Unready 978 1016 has Medievalia Et Humanistica ,1943 **English Medieval Government and Administration** Nigel Saul,Nicholas Vincent,2023 Newly edited documents and commentaries published in honour of one of our foremost historians of English medieval political society Different from most festschriften this wide ranging volume brings together a rich collection of newly edited documents accompanied by commentaries which both set them in context and highlight their importance for historians of medieval England Among the many topics covered are the Magna Carta rebellion the Baronial Wars of the 1260s the feeding of the royal household the estates of the thirteenth century nobility gentry material culture as revealed by inventories the workings of the law in the thirteenth and fourteenth centuries and local political life in Richard II's reign The volume will be published jointly with the Pipe Roll Society and the distinguished team of contributors will include both friends and former pupils of the honorand A Century of British Medieval Studies Alan Deyermond,2007-11-29 This is an authoritative guide to the complete range of medieval scholarship undertaken in twentieth century Britain history archaeology language culture Some of the twenty nine essays focus on changes in research method or on the achievements of individual scholars others are the personal account of a lifetime's work in a discipline Many outline the ways in which subjects may develop in the twenty first century **Gender and Historiography** Pauline Stafford,2012 The chapters in this volume celebrate the work of Pauline Stafford highlighting the ways in which it has advanced research in the fields of both Anglo Saxon history and the history of medieval women and gender Ranging across the period and over much of the old Carolingian world as well as Anglo Saxon England they deal with such questions as the nature of kingship and queenship fatherhood elite gender relations the transmission of property the participation of women in lordship slavery and warfare and the nature of assemblies Gender and historiography presents the fruits of groundbreaking research inspired by Pauline Stafford's own interests over a long and influential career **Frankland** Paul Fouracre,David Ganz,2008-11-15 This collection of highly original essays by leading early medieval historians honors the work and career of Dame Janet Jinty Nelson one of the most respected and influential scholars of her generation The essays build on the spirit of Janet Nelson's work by linking the study of Francia with at least one other area or general theme of early medieval history The papers range across all of the regions of Europe affected by Frankish culture and explore themes which reflect the cutting edge of the work she inspired memory queenship the treatment of prisoners of war penance the use of property historiography palaeography prosopography religious organization The volume includes an appreciation of her career and is rounded off by a topical index to highlight its thematic aspects The contributors are drawn from those who have worked alongside Janet Nelson and from some of her former students They include David Bates Stephen Baxter Wendy Davies Paul Fouracre and David Ganz **The Oxford Dictionary of the Middle Ages** Robert E. Bjork,2010-06-24 The Oxford Dictionary of the Middle Ages is an outstanding resource for anyone studying or with an interest in all aspects of European history society

religion and culture from 500 to 1500 Its 5 000 plus entries written by over 800 international scholars provide uniquely broad balanced and authoritative coverage of the period **The Moneyers of England, 973-1086** Jeremy Piercy,2019 The book examines the moneyers those men responsible for minting the king s coinage within developing urban society in England during the tenth and eleventh centuries to address both their status and whether the internal workplace organisation of the mints might reflect the complexity of an Anglo Saxon state In reviewing the minting operation of late Anglo Saxon England and the men in charge of those mints a better picture of the social history of pre Conquest England is realised These men were likely part of the thegnly or burgess class and how they organised themselves might reflect broader trends in how those outside of the aristocracy acted in response to royal directives The book outlines a new and innovative method of analysing the organisation of labour in Medieval England These new techniques and methodologies provide support for a previously unknown level of complexity in English minting Accompanying the book are several digital downloads including the Moneyers of England Database 973 1086 consisting of information on 3 646 periods of moneyer activity derived from 28 576 individual coins produced at ninety nine geographic locations Constructing Authority Teresa Marie Nava,2007

The British National Bibliography Arthur James Wells,2006 *Emotion and Devotion* Miri Rubin,2009-03-10 In Emotion and Devotion Miri Rubin explores the craft of the historian through a series of studies of medieval religious cultures In three original chapters she approaches the medieval figure of the Virgin Mary with the aim of unravelling meaning and experience Hymns and miracle tales altarpieces and sermons a wide range of sources from many European regions are made to reveal the creativity and richness which they elicited in medieval people women and men clergy and laity people of status and riches as well as those of modest means **Franks, Northmen, and Slavs** Ildar H. Garipzanov,Patrick J. Geary,Przemysław Urbańczyk,2008 Cursor Mundi is a publication series of inter and multi disciplinary studies of the medieval and early modern world viewed broadly as the period between late antiquity and the Enlightenment Like its companion the journal *Viator* Cursor Mundi brings together outstanding work by medieval and early modern scholars from a wide range of disciplines emphasizing studies which focus on processes such as cultural exchange or the course of an idea through the centuries and including investigations beyond the traditional boundaries of Europe and the Mediterranean

**The Haskins Society Journal** ,2009 *Staufen and Plantagenets* Alheydis Plassmann,Dominik Büschken,2018 Legitimisation and rule two empires of the 12th century in comparison

## **Medieval Polities And Modern Mentalities Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Medieval Polities And Modern Mentalities has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Medieval Polities And Modern Mentalities has opened up a world of possibilities. Downloading Medieval Polities And Modern Mentalities provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Medieval Polities And Modern Mentalities has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Medieval Polities And Modern Mentalities. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Medieval Polities And Modern Mentalities. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Medieval Polities And Modern Mentalities, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure

their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Medieval Polities And Modern Mentalities has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About Medieval Polities And Modern Mentalities Books

1. Where can I buy Medieval Polities And Modern Mentalities books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
