Southgate,2014-09-11 Is history factual or just another form of fiction Are there distinct boundaries between the two or just extensive borderlands How do novelists represent historians and history The relationship between history and fiction has always been contentious and sometimes turbulent not least because the two have traditionally been seen as mutually exclusive opposites However new hybrid forms of writing from historical fiction to docudramas to fictionalised biographies have led to the blurring of boundaries and given rise to the claim that history itself is just another form of fiction In his thought provoking new book Beverley Southgate untangles this knotty relationship setting his discussion in a broad historical and philosophical context Throughout Southgate

invokes a variety of writers to illuminate his arguments from Dickens and Proust through Virginia Woolf and Daphne du Maurier to such contemporary novelists as Tim O'Brien Penelope Lively and Graham Swift Anyone interested in the many meeting points between history and fiction will find this an engaging accessible and stimulating read The Critical Reputation of F. **Joycean Elements in F. Scott Fitzgerald's The Great Gatsby** Barney Tanner, Bernard R. Tanner, 2007 This research monograph argues that Scott Fitzgerald consciously used a variety of Joycean devices in THE GREAT GATSBY and these devices were the result of close readings of Joyce's DUBLINERS and ULYSSES The monograph breaks new ground in Fitzgerald scholarship and has implications for Joyceans as well The author's research was first begun under the mentorship of Professor Wallace Stegner and has lasted over 35 years Tanner also benefited from a correspondence with Edmund Wilson prior to Wilson's death This study sets out to prove that Fitzgerald modeled numerous elements of GATSBY on elements found in Joyce's ULYSSES FSF imitated Joyce's use of the first letter in each of the parts of ULYSSES There Joyce alluded to two matters 1 the first names of his characters and 2 the logical steps of a syllogism Fitzgerald enriched this device He developed three parts in his novel 3 3 3 and used the first and last letters of each of his 9 chapters for two purposes to repay in a bold and playful way his debt to Joyce and to honor Ernest Renan famed for his LIFE OF JESUS and a source of burlesque techniques employed in Gatsby This is just one example of a number of research issues raised by Tanner a number new to Fitzgerald scholarship Other chapters deal with FSF imitation of Joyce's Araby in Fitzgerald's story Absolution a precursor to Gatsby sources for Christian allusions and direct allusions to ULYSSES the shadowing and doubling of characters patterns of imagery and numeracy in topics and theme The work contains two appendices including a significant comparison of Trimalchio and THE GREAT GATSBY
