

A close-up, high-contrast photograph of a man's face, looking directly at the camera. The lighting is very dark and moody, with a strong blue/cyan tint. The man has a serious, intense expression. He is wearing a dark suit jacket and a white shirt with a dark tie. The tie features a small, repeating geometric pattern. The background is dark and out of focus, with some faint vertical lines visible on the right side. The overall atmosphere is mysterious and technological.

Minds Eye Ros Barker:

Mind's Eye Ros Barker, 2015-12-12 Jaime Iron's life is about to be turned upside down. A snow white envelope containing a single photograph arrived in the evening mail. Written on the back of the photograph is Connie Kay and Lavis Ann. Iron have been chosen for Transcendence. How do you stop a killer with unimaginable powers? Jaime must figure it out before her twin girls are taken and sacrificed. The Angel of Death is coming and Jaime and an aging state detective are all that's standing between serenity and chaos. **The real Charlotte, by E.Æ. Somerville and Martin Ross** Edith CEnone Somerville, 1894

Ellery's Eden Danni Roan, After two long months of waiting Polly and George Olson's oldest son returns to Bidders Clump but he's not the man they once knew. Having lost his wife Ellery returns home where he knows his children will be well cared for while he checks out of life. Heartbroken and overcome by grief he hides away from the rest of the world unable to even care for his own little ones. Ernestine Haven is looking for a new job as a governess but when she receives a letter offering her a place at a boarding house in Wyoming she knows there is more to the simple words than meets the eye. Does she have the strength to take the job and provide for the four children who must be so lost and alone? Will going to Bidders Clump prove the answer to her prayers or will she once more be forced to leave behind little ones she has grown to love? Taking the chance that she will find real joy out west Ernie accepts the job but will it prove too much for her soft heart to handle or will it give her the hope and home she has always wanted. **Judy's high jinks, selected and arranged by C.H. The text argues that preferences result from a combination of psychological dispositions shaped by social influences as well as costs and benefits calculated according to our desire for material gain. **Ancient Greece and Rome in Modern Science Fiction** Ross Clare, 2022-11-24 Ancient Greece and Rome in Modern Science Fiction introduces and analyses the reception of classical antiquity in contemporary science fiction. By using up to date methods from classical reception theory, science fiction analysis and fictional world studies the book will help furnish the reader's understanding of the ways in which the literature, culture, history and mythology of ancient Greece and Rome are appropriated and represented across multiple media platforms in the science fiction genre today. The book will therefore serve as an entry point into several areas of study: the reception of classics in popular culture, antiquity in modern media, the uses of the ancient world in science fiction and broader science fiction criticism. The chapters structured by medium principally offer a roughly chronological overview of that medium and its treatment of ancient history, mythology, literature and culture. An abundance of case studies from literature, film and television and videogames including Star Trek, Battlestar Galactica, Fallout, New Vegas, the Mass Effect franchise and Assassin's Creed show how classical antiquity is reused, encountered, re-encountered by creators and consumers of the present, how we bounce off it and it bounces off us and how
