## **Mindwar A Novel The Mindwar Trilogy:**

*Mindwar* Andrew Klavan, 2015-03-17 Rick Dial has the potential to be a hero. He just doesn't know it yet. Rick's high school football team couldn't be stopped when he was leading them as their quarterback. He was going to Syracuse on a scholarship. But then his dad abandoned them and a terrible accident left him crippled. Certain his old life is completely lost, Rick spends months hiding away in his room playing video games. He achieves the highest scores on so many games that he is approached by a government agency who claims to be trying to thwart a cyber attack on America that would destroy the technological infrastructure of the entire country. The agents say that the quick thinking of a quarterback coupled with Rick's gaming experience make him perfect for this assignment. The problem is that there are no extra lives and this isn't just a game, but Rick doesn't have many other options at the moment. Entering *The Realm* gives Rick the one thing he thought he'd never have again: a body that's as fast and as strong as he ever was before the accident. But the more time he spends in *The Realm*, the more questions he has. What secrets are these agents keeping from him? What really happened to his father? How many others have gone into *The Realm* already and failed? And perhaps most important is he the hero they think he is? *The MindWar Trilogy* Andrew Klavan, 2016-07-05 Andrew Klavan's *MindWar Trilogy* now available in one volume. In the tradition of *Ender's Game* and *The Matrix*, *MindWar* is a complex thriller about a seemingly ordinary teenager who discovers a hidden gift, a gift that could make him a hero or cost him everything. *MindWar* When Rick lost the ability to run, he came one step closer to becoming a hero. *Hostage Run* Rick is faced with an impossible choice: save the life of his best friend Molly or save the free world. *Game Over* Rick emerged victorious from *The Realm* twice. Is his luck about to run out? *Game Over* Andrew Klavan, 2016-10-04 Rick emerged victorious from *The Realm* twice. Is his luck about to run out? *The Great Good Thing* Andrew Klavan, 2016-09-20 No one was more surprised than Andrew Klavan when at the age of fifty he found himself about to be baptized. *The Great Good Thing* tells the soul-searching story of a man born into an age of disbelief who had to abandon everything he thought he knew in order to find his way to the truth. Best known for his hard-boiled white-knuckle thrillers and for the movies made from them among them *True Crime* and *Don't Say a Word*, bestselling author and Edgar Award winner Klavan was born in a suburban Jewish enclave outside New York City. He left the faith of his childhood behind to live most of his life as an agnostic until he found himself mulling over the hard questions that so many other believers have asked: How can I be certain in my faith? What's the truth and how can I know it's the truth? How can you think, live, and make choices and judgments day by day if you don't know for sure? In *The Great Good Thing*, Klavan shares that his troubled childhood caused him to live inside the stories in his head and grow up to become an alienated young writer whose disconnection and rage devolved into depression and suicidal breakdown. In those years, Klavan fought to ignore the insistent call of God, a call glimpsed in a childhood Christmas at the home of a beloved babysitter, in a transcendent moment at his daughter's birth, and in a snippet of a baseball game broadcast that moved him from the brink of suicide. But more than anything, the call of God

existed in stories the stories Klavan loved to read and the stories he loved to write Join Klavan as he discovers the meaning of belief the importance of asking tough questions and the power of sharing your story **Hostage Run** Andrew Klavan,2016-01-05 RICK DIAL IS FACED WITH AN IMPOSSIBLE CHOICE SAVE THE LIFE OF HIS BEST FRIEND MOLLY OR SAVE THE FREE WORLD Rick Dial s career as a superstar quarterback ended when a car accident left him unable to walk But his uncanny gaming ability caught the attention of a secret government organization trying to stop a high tech terrorist attack on America He s been to the fantastical cyber world called the MindWar Realm and returned to Real Life victorious But the stakes have just gone up Another attack is imminent and Rick is the only one who can stop it How can he though when terrorists have kidnapped his best friend Molly and are threatening to kill her if Rick returns to the Realm As Molly uses every resource of mind and body to outwit her brutal captors Rick races against time inside a nightmare video game where a fate worse than death may be waiting for him Hundreds of miles apart both will have to test the power of their faith and the strength of their spirits They re being forced to a moment of sacrifice one that could cost them everything
