Rumanian Folk Music Bela Bartok, 2012-12-06 In the first volume of Rumanian Folk Music Instrumental Melodies I portions of Bela Bartok's subsequently discarded preface concerning the fate of his folklore publications are presented in explanation of the editorial processes necessary for achieving the publication 1 By way of introduction to this revised edition of a previous although in complete published version of the Rumanian Carols and Christmas Songs Colinde we refer again to the author's suppressed lines which pertain to this volume The second publication by the same publisher was to include my collection of Rumanian Colindas Winter solstice songs Their extremely interesting texts were supposed to appear in original as well as in English After several years of delay the translation to English prose was completed one part in adequate archaic English the rest by someone else in most unsuitable Kitchen English The publisher did not wish to change this though Result I published the book at my own expense however only the musical part because of lack of sufficient funds The texts are still in manuscript even today 2 Our primary aim therefore has been to unite the Rumanian poetic texts and translations with the musical part in one volume as was the desire of the author **Salvage** Hawley Smart, 1884
