

Through the Newcomer Settlement Program, it is our privilege to work in concert with the many community organizations that are offering programs. These funds will allow us to continue to offer the services that are vital to provide a smooth process for arriving new immigrants and their families as they settle in our community.

By concentrating on needs on a regular basis, business managers will be better positioned to identify and respond to market needs, a process that can be furthered by involving the product line manager. This is a natural extension of the marketing function, which is responsible for the identification of potential market needs. By involving this responsibility in regular price and product line reviews, managers can respond to findings of market research.

fully support both the continuing fight for the non-discriminatory Human Genome Project and the fight to end gender-based violence against all women and communities. By supporting a global movement towards a model that respects women's equality, the following would be built: a better world with more opportunities for a model that respects and honours the humanizing "I" and "we" within the gendered community, respecting "postmodern" movements, and helping grassroots efforts with the world's most vulnerable here at this time by everyone's share in this, and move with the equality of their kind. If having human beings in the same category with other living beings is a noble goal, then equality should be the noblest goal of all.

I hope this joint collaboration can support the Water Shape Initiatives Program. I thank you all for your support and guidance, and please support the program. I know that my involvement in the Initiatives program will be a great success and will further the implementation of the Water Shape Initiatives.
