## **Nypd Sergeant Patrol Guide:**

TASER® Conducted Electrical Weapons: Physiology, Pathology, and Law Mark W. Kroll, Jeffrey D. Ho, 2009-02-27 TASER Conducted Electrical Weapons are rapidly replacing the club for law enforcement control of violent subjects within many countries around the globe A TASER CEW is a hand held device that delivers a 400 volt pulse with a duration tuned to control the skeletal muscles without affecting the heart at a distance of up to 6 5 meters over tiny wires If necessary it begins with an arcing voltage of 50 000 V to penetrate thick clothing the 50 000 V is never delivered to the body itself Due to the widespread usage of these devices and the widespread misconceptions surrounding their operation this book will have significant utility This volume is written for cardiologists emergency physicians pathologists law enforcement management corrections personnel and attorneys

**The Policing Machine** Tony Cheng, 2023-12-13 A revelatory look at how the NYPD has resisted change through strategic and selective community engagement The past few years have seen Americans express passionate demands for police transformation But even as discussion of no knock warrants chokeholds and body cameras has exploded any changes to police procedures have only led to the same outcomes Despite calls for increased accountability police departments have successfully stonewalled change In *The Policing Machine* Tony Cheng reveals the stages of that resistance offering a close look at the deep engagement strategies that NYPD precincts have developed with only subsets of the community in order to counter any truly meaningful democratic oversight Cheng spent nearly two years in an unprecedented effort to understand the who and how of police community relationship building in New York City documenting the many ways the police strategically distributed power and privilege within the community to increase their own public legitimacy without sacrificing their organizational independence By setting up community councils that are conveniently run by police allies handing out favors to local churches that will promote the police to their parishioners and offering additional support to institutions friendly to the police the NYPD like police departments all over the country cultivates political capital through a strategic politics that involves distributing public resources offering regulatory leniency and deploying coercive force The fundamental challenge with police community relationships Cheng shows is not to build them It is that they already exist and are motivated by a machinery designed to stymie reform

*The Day After* Jason Randazzo, 2023-03-15 *The Day After* The Life and Times of a New York FBI Agent tells the true stories of an FBI agent and some of the cases that were investigated in New York throughout a twenty eight year career The cases and events involve a variety of investigations that have been publicized in the news and a few that the public have never heard about The inner workings of the New York Office of the FBI are described in detail which allows the reader to envision how this relatively secretive world operates from the viewpoint of the rank and file brick agent As in my first book entitled *Just Another Day* this book also reveals the stories of interactions with characters on both sides of the law And the characters run from my neighborhood friends and associates in New York to those individuals whom you have seen either in the news on the

television or in social media      **Death Work** Vincent E. Henry, 2004 Through extensive field observation and structured interviews with NYPD officers Henry reveals patterns of psychological transformation and social consequences of police encounters with death      *Wage and Hour Cases*, 2009 Text of opinions of Federal and state courts and administrative tribunals under statutes relating to minimum wages maximum hours overtime compensation child labor equal pay wage stabilization with tables of cases      **The Secret Files: Bill De Blasio, The NYPD, and the Broken Promises of Police Reform** Michael Hayes, 2023-02-21 An unprecedented breakdown of the NYPD's powerful network of police unions pro police lawyers and top brass who work relentlessly to shield police officers from any real accountability For readers of long form hard hitting journalistic exposés like *We Own This City* a compelling look at how we do and don't hold police responsible in America by an award winning progressive reporter covering the NYPD police beat In 2018 reporter Michael Hayes uncovered a major story about how the NYPD was not only turning a blind eye to police misconduct but also allowing hundreds of officers with severe misconduct charges to remain on the force In the aftermath of that story then Mayor Bill de Blasio attempted to reform the department only to abandon his plans While de Blasio may have suffered a political setback it's New Yorkers who are the true victims of this failure to deliver accountability and transparency The state has a law that specifically prevents the public from learning about concealed police records New Yorkers are increasingly distrustful of the police after witnessing their loved ones being targeted brutalized and murdered with near impunity Hayes takes readers inside decades of police corruption and controversial laws chronicling the stories of the families and activists who have had enough He makes a compelling case for the limits of reform in the aftermath of the major Black Lives Matter rallies following the murder of George Floyd and growing calls to defund the police      **Labor Cases** Commerce Clearing House, 2007 A full text reporter of decisions rendered by federal and state courts throughout the United States on federal and state labor problems with case table and topical index      **Back to School**, 1993      **The New World of Police Accountability** Samuel E. Walker, Carol A. Archbold, 2018-12-12 This book gives a brief yet thorough summary of the main components of police accountability in the 21st century What works what doesn't and where are we going in the future I love to use it with my undergraduate students to help them understand the complexities of policing in the modern era Janne E. Gaub East Carolina University Completely revised to cover recent events and research the Third Edition of *The New World of Police Accountability* provides an original and comprehensive analysis of some of the most important developments in police accountability and reform strategies With a keen and incisive perspective esteemed authors and policing researchers Samuel Walker and Carol Archbold address the most recent developments and provide an analysis of what works what reforms are promising and what has proven unsuccessful The book's analysis draws on current research as well as the President's Task Force on 21st Century Policing and the reforms embodied in Justice Department consent decrees New to the Third Edition The national crisis over police legitimacy and use of force is put into context through extensive discussions of recent police shootings and the response to

this national crisis providing readers a valuable perspective on the positive steps that have been taken and the limits of those steps Coverage of the issues related to police officer uses of force is now the prevailing topic in Chapter 3 and includes detailed discussion of the topic including de escalation tactical decision making and the important changes in training related to these issues An updated examination of the impact of technology on policing including citizens use of recording devices body worn cameras open data provided by police agencies and use of social media explores how technology contributes to police accountability in the United States A complete up to date discussion of citizen oversight of the police provides details on the work of selected oversight agencies including the positive developments and their limitations enabling readers to have an informed discussion of the subject Detailed coverage of routine police activities that often generate public controversy now includes such topics as responding to mental health calls domestic violence calls and police stop and frisk practices Issues related to policing and race relations are addressed head on through a careful examination of the data as well as the impact of recent reforms that have attempted to achieve professional bias free policing
