These guidelines are recommended for the proper installation of Oasis products. A careful review of these procedures (and any referenced publications) before starting is important in avoiding an improper assembly and/or installation.

**NOTE:** All illustrations in this publication are typical, and may appear different from the actual product. Optional items may also be shown that were not ordered on the product being installed.

### Special Notes to Installer

✦ It is the sole responsibility of the installer to determine the requirements necessary for compliance with all installation code requirements.

✦ All paperwork packaged with the product should be saved and presented to the home owner upon completion of the installation!

✦ All published product dimensions are for reference only. Any critical dimensions required for installation should be taken directly from the product being installed!

✦ Any independent modifications made to the product (or any options / accessories supplied) beyond those required for normal installation can void all warranties! (Refer to warranties for further information)

### INSPECTION GUIDELINES

Carefully check the unit upon receipt. Notify your supplier immediately if any questions or problems are encountered during this process.

**DO NOT INSTALL PRODUCT WITHOUT FIRST ADDRESSING QUESTIONS WHICH ARISE DURING THE INSPECTION**

### Basic Module Check

- Check unit drain position for match to bathroom drain location.
- Check unit for surface damage.
- Check unit color for coordination to other bathroom fixtures.

### INSTALLATION SITE FRAMING

The recommended framing and dimensional requirements shown are for a traditional application and may vary, based on site requirements.

The dimensions shown in the dimensional diagram(s) are from the surfaces where the unit will be attached. This surface can be base studing, dry wall or other suitable under layment material. It is important that the floor and all framing be square and level. Framing must be done using accepted materials and construction techniques in accordance with all applicable codes for the site.

**NOTE:** Any pre-constructed wall(s) may require modification or additional framing to allow for factory applied pipes and/or fittings which may protrude from the body of the unit.
