Primary Object Lessons for a Graduated Course of Development Norman Allison Calkins,1861    **A course of simple object lessons for infants** William Hewitt (B.Sc.),1884    **The Teacher's Manual of Object Lessons in Elementary Science and Geography Combined** Vincent Thomas Murché,1899    **Object Lessons** Sarah Anne Carter,2018-07-12

Object Lessons How Nineteenth Century Americans Learned to Make Sense of the Material World examines the ways material things objects and pictures were used to reason about issues of morality race citizenship and capitalism as well as reality and representation in the nineteenth century United States For modern scholars an object lesson is simply a timeworn metaphor used to describe any sort of reasoning from concrete to abstract But in the 1860s object lessons were classroom exercises popular across the country Object lessons helped children to learn about the world through their senses touching and seeing rather than memorizing and repeating leading to new modes of classifying and comprehending material evidence drawn from the close study of objects pictures and even people In this book Sarah Carter argues that object lessons taught Americans how to find and comprehend the information in things from a type metal fragment to a whalebone sample Featuring over fifty images and a full color insert this book offers the object lesson as a new tool for contemporary scholars to interpret the meanings of nineteenth century material cultural and intellectual life    Victorian Culture and Experiential Learning Kevin A. Morrison,2022-03-14 This book is a crucial resource for instructors interested in bringing the past alive for their students through hands on immersive educational experiences While sharing a common historical field the contributors hail from multiple disciplines including art history human biology biological anthropology and English literature Ranging from assignments that involve students editing and annotating a primary work to producing an array of digital projects and from participating in study abroad programs to taking part in service learning initiatives the chapters will furnish readers with strategies for creating engaged and dynamic classrooms Although the focus of the book is on Victorian Britain the pedagogical approaches outlined in each chapter will be useful to instructors of any historical field    **Manual of Object-teaching** Norman Allison Calkins,1882 W S N S is probably Washington State Normal School in Industry Maine
