Awakened Sun Gerald P. Stewart,2024-11-11 PRINTED IN COLOR This title includes a series of never before seen photographs which can only be described as supernatural In order to maintain depth and preserve authenticity of these images this book has been formatted for color print ON A QUEST FOR TRUTH I UNEARTHED LIFE S GREATEST MYSTERY The 11 11 phenomenon has profoundly affected the lives of a great number of people on a global scale My personal relationship with the code goes back more than forty years to a chance encounter in the eighties which signaled the start of a near lifelong quest I often refer to the phenomenon as a code because that s precisely what it is The 11 11 code being the trigger to expand one s awareness to a different reality than that which conventionally surrounds them a matrix game system so complex it s beyond even their wildest imagination A place which no person can genuinely define nor any feature film could ever accurately portray The 11 11 code is our ticket out Not only acting as an invitation but also as an opportunity to survive this ever changing world and ultimately our chance at a new beginning It starts out with a spiritual awakening which is merely the gateway to an ascension process so it doesn t stop there I describe how I uncovered the code to expose its hidden meaning which in turn permitted me to decipher life s greatest mystery I meticulously piece together the puzzle prior to its reveal and back it up with undeniable proof I leave you with my perspective in an up to date summary which clearly defines where we stand today in addition to some bonus material including An outline of my Three Key Tips for a Successful Spiritual Journey three fundamental principles which I follow that have positively altered my attraction A summary of my To Do List for Achieving Ascension twenty five steps which I have taken that are delivering some truly remarkable results A selection of my creative writing efforts purposefully chosen with
