Online Locating Atonement Explorations Constructive Dogmatics:

Locating Atonement Zondervan, 2015-11-10 A Close Look at Atonement's Place in Contemporary Systematic Theology In light of renewed interest in the doctrine of atonement during which a range of atonement models have gained momentum among different traditions it's important to map these models to the broader context of theological thought on this aspect of Christ's work and to show how no single approach has the complete picture The proceedings of the third annual Los Angeles Theology Conference seek to identify the place of the doctrine of atonement in systematic theology Locating Atonement stays away from discussion of theories of atonement typologies of those theories and contests among various theories Instead its focus is on the question What else is there to do in atonement theology besides rehashing types and theories The twelve diverse essays in this collection include discussions on Atonement and the concept of punishment Atonement and ascension Atonement and human suffering Atonement and covenant Each of the essays collected in this volume engage with Scripture as well as with others in the field theologians both past and present from different confessions in order to provide constructive resources for contemporary systematic theology and to forge a theology for the future **Unapologetic** John

W. Loftus, 2016-11-01 A forceful takedown of faith based reasoning in secular institutions Just as intelligent design is not a legitimate branch of biology in public educational institutions nor should the philosophy of religion be a legitimate branch of philosophy argues acclaimed author John W. Loftus In his call for ending the philosophy of religion he argues that as it is presently being practiced the main reason the discipline exists is to serve the faith claims of Christianity Most of philosophy of religion has become little more than an effort to defend and rationalize preexisting Christian beliefs By highlighting the stark differences between faith based reasoning and evidence based reasoning Loftus presents vital arguments and lessons about the importance of critical thinking not only in all aspects of study but also in life His conclusions and recommendations thus resonate far beyond the ivory towers and ivy covered walls of academic institutions For atheists secular individuals and those interested in critical thinking about religion **The Cross in Context** Brad Vaughn, 2022-11-22 How has our

understanding of cultural and historical context shaped our views on atonement Combining missiology theology and biblical studies theologian Brad Vaughn draws from the entire biblical canon to help Christians interpret Scripture more faithfully and form a richer more robust theology of atonement *The Empathic God* Frank Woggon, 2024-05-07 What if Jesus did not come to die for our sins What if instead Jesus's life and death was intended to provide a way out of our shame While traditional Christian teachings about the atonement emphasize sin as guilt and transgression against God's will and commandments Frank Woggon points out that clinical spiritual care reveals that the human condition is predominantly marked by shame rather than guilt In *The Empathic God* Woggon examines myopic readings of the Jesus event that in turn have embedded distortions into traditional paradigms of the atonement In contrast Woggon mines narratives of the human condition to engage in a critical examination of the Jesus story As a clinician and ordained Baptist minister Woggon presents

the Jesus event as God's empathic initiative toward humanity and convincingly argues that salvation comes through empathy rather than forgiveness. Woggon's work constructs a clinical theology of atonement from the perspective of clinical spiritual care. The Empathic God calls for a practical response of caring participation in God's ongoing work of salvation through an empathic praxis of spiritual care. Most importantly, The Empathic God takes seriously that lived human experience is the starting point for theological exploration rather than doctrine. This book will help practitioners and students of spiritual care in the Christian tradition to reflect more critically on the intersection of spiritual care practice and theology. The book also will challenge pastors, ministers of pastoral care, chaplains, pastoral counselors, spiritually oriented therapists to interrogate and re-interpret traumatic shame-filled Christian teachings about the atonement so that they too can join in God's ongoing and liberating work of salvation.

The Atonement Jeremy Treat, 2023-07-24. A Concise Introduction to the Doctrine of the Atonement. The atonement is central to Christian theology and essential for following Jesus. In this addition to the Short Studies in Systematic Theology series, pastor Jeremy Treat explains what Scripture teaches about the atonement and how it impacts one's daily life. Treat demonstrates that the death of Christ is a multi-dimensional work within the story of the kingdom of God. While the accomplishments of the cross are unending, including forgiveness, victory, and renewal, the heart of the cross is substitution: Jesus dying on behalf of sinners. Christ's atoning work reconciles believers to God and to one another, calling them to a life of obedience. This book presents a kingdom-framed substitution centered, trinitarian, integrated, communal, and life-changing approach to the doctrine of atonement. Accessible. Designed to be short and approachable, this text is an ideal resource for college students, pastors, and laypeople. Practical. The depths of the gospel are applied to discipleship, community, and ethics. Part of the Short Studies in Systematic Theology Series. Other titles include Faithful Theology, The Attributes of God, and The Church.

Righteous Indignation Gregory L. Bock, Court D. Lewis, 2021-07-21. Righteous Indignation: Christian Philosophical and Theological Perspectives on Anger explores the philosophy of Christian anger: what anger is, what it means for God to be angry, and when anger is morally appropriate. The book explores specific biblical questions such as how God communicates his anger in the Old Testament and whether anger at one's enemies in the imprecatory psalms is praiseworthy. In addition, some chapters focus on the practical application of anger to topics such as racial justice, criminal law, and civil discourse, and on the ideas of historical figures such as Thomas Aquinas and Jonathan Edwards. The purpose of the book is to provide multiple perspectives examining anger from different angles, but most of all, it is hoped that readers will come away with a better understanding of God's nature and how followers of Jesus ought to relate to those who wrong them.

Sanctifying Theology Jacob Lett, Jonathan M. Platter, 2023-10-30. Sanctification is not merely a practical and isolated doctrine but should permeate the whole horizon of theology, dogmatics, ethics, practices, as well as the sciences and the arts. The essays are collected under the twin convictions that theology can be sanctified and sanctifying. The whole of theology is inflected by holiness, and so theology should aim to share in God's sanctifying work. Sanctifying Theology

contributes new possibilities in Wesleyan holiness theology and explores their contribution to various Christian doctrines and contemporary issues Written in honor of the work of Thomas Arthur Noble the essays in this book are attentive to the streams of theology that have most influenced him the fathers the Wesleys and the Torrances Both constructive and exploratory the topic of the essays cover among other things 1 consideration of how Wesleyan holiness theologies contribute to ecumenical theological discussions 2 readings of Wesleyan holiness theology through the lens of the church fathers and the Torrances and 3 explorations of how these conversations and sources might shape contemporary practical and ethical concerns The essays work both for the Wesleyan tradition and from the Wesleyan tradition for the church catholic showing how recent trajectories in Wesleyan holiness theology might contribute to broader discussions

Participation and Atonement Oliver D. Crisp, 2022-11-01 The atonement is at the heart of Christian doctrine But how does it relate to the life of the church And what difference does it make for worship and liturgy Highly respected theologian Oliver Crisp sets out a new comprehensive account of the nature of the atonement exploring how this doctrine affects our participation in the life of God and in the shared life of the Christian community Crisp builds on key insights from other historic substitutionary models of Christ's work while avoiding the problems plaguing penal substitution

Participation and Atonement Oliver Crisp, 2022 A highly respected theologian sets out a new comprehensive account of the nature of the atonement exploring how this doctrine affects our participation in the life of God and in the shared life of the Christian community

Atonement Theories Ben Pugh, 2014-08-28 With the subject of the atonement of Christ attracting such a lot of polemical work at this time it is easy to conclude that the current debate is generating more heat than light Atonement Theories presents the beginning student pastor or researcher with an accessible and fair treatment of every school of thought on this subject Atonement Theories significantly updates previous histories of the doctrine providing analysis of some fascinating and highly significant recent developments It also intriguingly highlights at various points where aspects of this central message of Christianity might find a connection within contemporary culture This book will empower the reader to quickly gain a working knowledge of current debates and the history behind them

Atonement and the Death of Christ William Lane Craig, 2020 Through his death on the cross Christ atoned for sin and so reconciled people to God New Testament authors drew upon a range of metaphors and motifs to describe this salvific act and down through history Christian thinkers have tried to articulate various theories to explain the atonement While Christ's sacrifice serves as a central tenet of the Christian faith the mechanism of atonement exactly how Christ effects our salvation remains controversial and ambiguous to many Christians In Atonement and the Death of Christ William Lane Craig conducts an interdisciplinary investigation of this crucial Christian doctrine drawing upon Old and New Testament studies historical theology and analytic philosophy The study unfolds in three discrete parts Craig first explores the biblical basis of atonement and unfolds the wide variety of motifs used to characterize this doctrine Craig then highlights some of the principal alternative theories of the atonement offered by

great Christian thinkers of the premodern era Lastly Craig s exploration delves into a constructive and innovative engagement with philosophy of law which allows an understanding of atonement that moves beyond mystery and into the coherent mechanism of penal substitution Along the way Craig enters into conversation with contemporary systematic theories of atonement as he seeks to establish a position that is scripturally faithful and philosophically sound The result is a multifaceted perspective that upholds the suffering of Christ as a substitutionary representational and redemptive act that satisfies divine justice In addition this carefully reasoned approach addresses the rich tapestry of Old Testament imagery upon which the first Christians drew to explain how the sinless Christ saved his people from the guilt of their sins *T&T Clark Companion to Atonement* Adam J. Johnson, 2017-07-27 The T T Clark Companion to Atonement establishes a vision for the doctrine of the atonement as a unified yet extraordinarily rich event calling for the church s full appropriation Most edited volumes on this doctrine focus on one aspect of the work of Christ for example Girard Feminist thought Penal Substitution or divine violence The Companion is unique in that every essay seeks to both appropriate and stimulate the church s understanding of the manifold nature of Christ s death and resurrection The essays are divided into four main sections 1 dogmatic location 2 chapters on the Old and New Testaments 3 major theologians and 4 contemporary developments The first set of essays explore the inter relationship between the atonement and other Christian doctrines for example Trinity Christology and Pneumatology opening up yet further avenues of inquiry Essays on key theologians eschew reductionism striving to bring out the nuances and breadth of the contribution The same is true of the biblical essays The final section explores more recent developments within the doctrine for example the work of Rene Girard and the ongoing reflection on Holy Saturday The book is comprised of 18 major essays and an A Z section containing shorter dictionary length entries on a much broader range of topics The result is a combination of in depth analysis and breadth of scope making this a benchmark work for further studies in the doctrine *The Doctrine of the Atonement* John Kenneth Mozley, 1933 **The Doctrine of Atonement** John Kenneth Mozley, 1915 *“The” Doctrine of the Atonement* John Kenneth Mozley, 1947
