Christianity in Crisis Hank Hanegraaff, 2012-06-18 Nearly two decades ago Hank Hanegraaff's award winning Christianity in Crisis alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith. But in the 21st century there are new dangers, new teachers who threaten to do more damage than the last. These are not obscure teachers that Hanegraaff unmasks. We know their names. We have seen their faces, sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel. They are virtual rock stars who command the attention of presidential candidates and media moguls. Through make believe miracles, urban legends, counterfeit Christs and twisted theological reasoning, they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe. God cannot do anything in this earthly realm unless we give Him permission. Keep saying it. I have equality with God. Talk yourself into it. Being poor is a sin. The Jews were not rejecting Jesus as Messiah; it was Jesus who was refusing to be the Messiah to the Jews. You create your own world the same way God creates His. He speaks and things happen; you speak and they happen. Christianity in Crisis 21st Century exposes darkness to light, pointing us back to a Christianity centered in Christ. From the Preface: Having lost the ability to think biblically, postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators. Pop culture beckons and postmodern Christians have taken the bait. As a result, the biblical model of faith has given way to an increasingly bizarre array of fads and formulas.

Addiction: Saved by the Grace of God Anthony Marakovitz, 2024-03-04 Anthony Marakovitz nails down what his life was like as an extreme addict for forty years following his happy childhood, some bad boy middle and high school years, indiscriminate relationships and normally fatal health complications with enough drugs and alcohol to have killed anyone. Now that he has recovered, Anthony shares facts that most people don't know about addicts' compulsive behavior and productive faith-based recovery. Believing that each one of us is within reach of an addict, Anthony launches his story with serious hope for anyone who is dealing with addiction of any kind: anger, drugs, prescription or otherwise, alcohol, sex control. Simply more of anything, the list is long. These addictions permeate every socioeconomic level and impact everyone and everything around them. The author hopes that his story will encourage and benefit anyone who wholeheartedly seeks long-term recovery, no turning back.

Abimbola Adunni Adelakun,2022-10-14 Powerful Devices studies spiritual warfare performances as an apparatus for disestablishing structures of power and knowledge and establishing righteousness in their stead Drawing on performance studies emphasis on radicality and breaking of social norms as devices of social transformation the book demonstrates how Christian groups with dominant cultural power but who perceive themselves as embattled wield the ideas of performance activism Combining religious studies with ethnography Powerful Devices explores Nigerian Pentecostals and US Evangelicals praxis of transnational spiritual warfare By closely studying spiritual warfare prayers as a device Powerful Devices shows how the rituals of prayer enable an apprehension of time paradigms of self enhancement and the subversion of politics and authority A critical intervention Powerful Devices explores charismatic Christianity s relationship to science and secular authority technology and temporality neoliberalism and reactionary ideology **The Saint Makers** Joe Drape,2020-12-01

Part biography of a wartime adventurer part detective story and part faith journey this intriguing book from a New York Times journalist and bestselling author takes us inside the modern day making of a saint The Saint Makers chronicles the unlikely alliance between Father Hotze and Dr Andrea Ambrosi a country priest and a cosmopolitan Italian canon lawyer as the two piece together the life of a long dead Korean War hero and military chaplain and fashion it into a case for eternal divinity Joe Drape offers a front row seat to the Catholic Church s saint making machinery which in many ways has changed little in two thousand years and examines how or if faith and science can co exist This rich and unique narrative leads from the plains of Kansas to the opulent halls of the Vatican through brutal Korean War prison camps and into the stories of two individuals Avery Gerleman and Chase Kear whose lives were threatened by illness and injury and whose family and friends prayed to Father Kapaun sparking miraculous recoveries in the heart of America Gerleman is now a nurse and Kear works as a mechanic in the aerospace industry Both remain devoted to Father Kapaun whose opportunity for sainthood relies in their belief and medical charts At a time when the church has faced severe scandal and damage and the world is at the mercy of a

pandemic this is an uplifting story about a priest who continues to an example of goodness and faith Ultimately The Saint Makers is the story of a journey of faith for two priests separated by seventy years for the two young athletes who were miraculously brought back to life with or without the intercession of the divine as well as for readers and the author trying to understand and accept what makes a person truly worthy of the Congregation of Saints in the eyes of the Catholic Church
