Django Unleashed Andrew Pinkham, 2015-11-23 Django is an amazingly powerful system for creating modern dynamic websites. But programming Django hasn't always been easy until now. Django Unleashed is your step by step beginner friendly guide to leveraging Django's core capabilities and its powerful contributed library. You'll learn in the most effective way possible hands on by building a fully functional Django website from scratch. You'll even deploy the website to the cloud. As you build your website, expert Django consultant and trainer Andrew Pinkham reveals how websites operate, how Django makes building websites easy, how to write Python code that leverages its immense capabilities, and how to build solutions that are robust, reliable, and secure. You'll start simply and learn to solve increasingly challenging problems, mastering new features and understanding how Django's architecture shapes their behavior, and gaining essential knowledge for working with any web framework, not just Django.

[Advanced Web Development in Python with Django](#) Andrew Pinkham, 2019 More than 8 Hours of Video Instruction Overview Advanced Web Development in Python with Django LiveLessons is intended for people familiar with web development who understand the basics of Django and want to get more out of it but are unfamiliar with more difficult topics such as authentication, database query optimization, and caching. The course builds directly on top of Andrew Pinkham's previous course Web Development in Python with Django LiveLessons, starting with the same code base where the class left off and building new features in the same project, making for a clear and clean learning progression. While the previous course is not a hard prerequisite, the prerequisites for that course and the concepts introduced in it will be necessary to understand the videos. A review lesson enables people to judge for themselves whether the course is appropriate for their level. About the Instructor Andrew Pinkham is the founder and lead engineer at JamBon Software, which provides development consulting services. He is the author of Django Unleashed, Pearson, and a popular speaker at DjangoCon US and provides instruction in Python and Django. Andrew specializes in web and mobile products and enjoys communicating complex ideas in simple ways. He is also passionate about usability, security, and distributed systems. He is a 2009 graduate of Dartmouth College and currently resides in Boston, Massachusetts.
