Book Mutual Consent Tracey Richardson:

By Mutual Consent Tracey Richardson, 2016-01-01 Dr Joss McNab needs a wife As if juggling surgery and being an instructor isn't enough she's recently taken on a more demanding administrative role at the medical school that was named after her legendary father To make things worse she's now required to attend a growing number of galas fundraisers and conventions Wouldn't having a wife a wife of convenience help ease the burden that's threatening to overtake her world Sarah Young's heart belongs to painting Much as she'd like to dismiss Joss's ridiculous proposal the art world isn't paying well and she's running short on cash Playing a trophy wife a few hours a week would cover her bills and still leave plenty of time to devote to her artwork The deal is struck But will the convenient pairing turn into disaster or prove to be a stroke of genius With feelings deepening and attraction undeniable can two women who have agreed to settle discover that they could actually have it all

Thursday Afternoons Tracey Richardson, 2019-12-01 Thursdays aren't simply another day of the week for Amy Spencer and Ellis Hall Thursday afternoons sizzle with no strings sex for the two women who meet each week in a hotel room to forget their past and their present The arrangement works perfectly for Amy a busy surgeon who's still smarting from a failed relationship For Ellis Thursday afternoons act as a pressure valve from her cutthroat job and the mistakes in her personal life she's trying to rectify But soon the pair discover that their outside worlds are on a collision course with the carefully constructed world they've created on Thursday afternoons What will happen when they discover the truth about each other Will their weekly assignations come to a screeching halt or will they turn into something much much more

I'm Gonna Make You Love Me Tracey Richardson, 2018-12-01 Claire Melbourne is a steely newspaper editor who's just lost the biggest scoop of her career thanks to her naive intern's mistake Firing the young Ellie Kirkland for the offense was a no-brainer But when fate brings the two women together again Claire finds herself questioning everything she thought she was especially her cynical take no prisoners approach to life When she's not breaking stories or breaking in reporters Claire's one outlet is to lose herself in Motown music and in the seat of a cheerful antique Mustang But lose herself to the much younger far too nice Ellie There's no breaking news there Nope That's a story that needs to be spiked before it ever sees print Ellie Kirkland is at loose ends and not for the first time Resistant to following the path her parents insist on she's been trying out careers like she's trying on outfits at Banana Republic Now that her dream of being a journalist is over Ellie must begin again And the woman who crushed that very dream is the very woman who just might hold the key to Ellie's future

Delay of Game Tracey Richardson, 2017-02-01 Passion and patriotism sizzle on the ice at the Winter Olympics It's been a dozen years since two of the world's best women hockey players Niki Hartling and Eva Caruso first competed against each other in the Olympic Games The pressure of the intense USA Canada rivalry forced an end to their love affair and both women moved on Niki to coach and to marry Eva to stretch out a playing career that her ravaged body can barely sustain anymore The Games are upon them once again Eva wants one last chance to beat the Canadians and win hockey's biggest

prize Niki now a widow and single mother strives to coach her country to gold even as the obstacles against her mount The locker room seems to have ears and there are few people Niki and Eva can trust Rivals and former lovers on hockey's biggest stage will Niki and Eva feel the same spark that first brought them together And can they win on and off the ice with the whole world watching

Lesbian Detective Fiction Phyllis M. Betz, 2006-07-24 This work examines how lesbian detective and mystery fiction represents lesbian characters and experience within the confines of the genre As this book points out such fiction reveals the lesbian's increasing visibility in the wider society Nevertheless it can still be difficult to find a complete representation of lesbian life in mainstream literature Often the best place to find the lesbian represented in books is within the pages of genre fiction especially the detective story This book looks at how the lesbian characters public and private lives intersect often at the point of coming out or of moving from isolation to connection

with the community Also considered is the lesbian detective s typical confrontation with two crucial elements of the investigator s role the use of violence and the acquisition and expression of authority within police systems Other topics of discussion include the cultural environments in which the stories are situated and the use of humor as a key weapon in the lesbian detective s investigative arsenal *The Golden Book Magazine* ,1927 **Proceedings of the Common Council, for the City of Rochester, for ...** Rochester (N.Y.).
