## **Mohammad Morsi Biography:**

*Campaign Professionalism during Egypt's 2012 Presidential Election* Dalia Elsheikh, 2018-04-09 This book presents the first analytical study of the levels of professionalism of campaigns in the 2012 Egyptian presidential elections. It considers the extent to which the election was professionalised and how far the levels of professionalism impacted the democratisation process of Egypt. It provides the story of the five main campaigns by applying the professionalisation index to analyse their structures, hardware and strategies, software. The book also evaluates the application of the professionalization index to nascent democracies and the impact of campaign professionalism on such democracies. The book encourages further studies within similar fragile democratic systems as well as offering campaigners practical guidance when approaching future elections.

**The Islamists** Nafi, Basher M., 2017-08-09 Today's Islamists are not a reproduction of an ancient legacy but are modern political actors defined by modern discourses, argues Basheer Nafi in *The Islamists*. He examines the emergence and development of political Islam in the twentieth century and the beginning of the twenty-first century, discussing the historical context within which political Islam arose and relating it to the social movements and political parties that lead the phenomenon today. On questions concerning the state, economics and law, the differences among Islamists are no less than their agreements. Nafi eases out some of these agreements and differences relating to governance, citizenship, pluralism, unity, revivalism and truth. This very accessible work, intended for both an academic and general audience, highlights these matters by examining the groups and individuals that constitute the broad category of political Islam, considering how they have developed over time and how they have impacted on the countries in which they operate.

**Biography and Genealogy Master Index**, 1997 **The World Diplomatic Directory and World Diplomatic Biography** Remy

Heftner, 1951 **Reconstructing a Shattered Egyptian Army** Youssef Aboul-Enein, 2014-06-15 Central to CDR Youssef Aboul Enein's career has been the mission to introduce America's military leaders to Arabic works of military significance. Just like American military leaders who had an obsession for all things Russian during the Cold War in order to understand the Soviets, the war on al Qaida and the complex nuances of the Arab Spring demand a deeper comprehension of the Middle East from direct sources. The memoirs of General Mohamed Fawzi, Egyptian War Minister from 1967 to 1971, were first published in 1984 but his work has not been translated and remains undiscovered by English-speaking readers. Many in the United States Armed Services have yet to be introduced to his ideas, perspectives and the seeds by which the 1973 Yom Kippur War were laid. In this new contribution to his series of essays written for *Infantry Journal*, Aboul Enein has determined to bring to life the military thoughts of this Arab War Minister. This book is a joint Infantry Naval Institute Press project that has condensed the entire collection of essays on Fawzi to a single volume to provide future generations of America's military leaders with access to his ideas. Fawzi is unique among Arab generals for his scathing critique of his own armed forces and from his critical examination of what went wrong in 1967, he was able to slowly resurrect the Egyptian Armed Forces to a level

that enabled Sadat to consider an offensive in 1973 This Egyptian general will provide insights into the level of Soviet cooperation and military aid provided Egypt after the 1967 Six Day War known simply in Arabic by one word al Naksah the setback not to be confused with the 1948 Arab Israeli War known by one word al Nakbah the catastrophe While Fawzi lapses into conspiracy indulges in wishful thinking and employs the language of pan Arabism on occasion much like Soviet military theorists couched their ideas in Marxist Leninist rhetoric this will not stop serious American students of war from recognizing his brilliance about the lessons learned from the crushing defeat of Egyptian arms in the 1967 Six Day War

**Biography and Genealogy Master Index, a Consolidated Index to More Than 3,200,000 Biographical Sketches in Over 350 Current and Retrospective Biographical Dictionaries, Second Edition. 1981-82 Supplement** Miranda C. Herbert, Barbara McNeil, 1982 A consolidated index to biographical sketches in current and retrospective biographical dictionaries

**The Egyptian Revolution** Mohamed El-Bendary, 2013 An Egyptian American journalist living in Egypt witnessed firsthand Hosni Mubarak's fall and Mohamed Morsi's struggle to stay in power In these pages he offers a chronicle of and a revealing look at the 2011 Egyptian Revolution and its aftermath and he explains for Americans the confrontation between Islamists and seculars The author examines how Egyptians have received the 2011 Egyptian Revolution and its progress in the two years that followed Hosni Mubarak's demise from the moment the revolution erupted on January 25 to late in February of 2013 when protests calling for the downfall of President Mohamed Morsi were mounted in various major Egyptian cities Since Egypt under Mubarak was America's stalwart ally in the Arab world throughout the book the text also touches on American Egyptian relations and whether Egyptians can achieve their dream of establishing a stable democratic state without U S economic assistance or U S meddling in their country's internal affairs The material also offers insights to help interpret events unfolding elsewhere in the Middle East and assessing U S involvement While there are other books out there on the 2011 Egyptian Revolution none of them inclusively covers its aftermath two years of events Furthermore the author wrote this in depth work while in Egypt offering not only the media's opinion on the issue but also conducting many interviews with ordinary Egyptians

**Britannica Book of the Year**, 2013 **Index Islamicus**, 1991 A bibliography of books and index of articles in periodicals on Islam and the Muslim world Also includes reviews

*Margaret Thatcher: Herself Alone* Charles Moore, 2019-11-12 Moore's masterful and definitive biography based on unique access to Margaret Thatcher herself her papers and her closest associates tells the story of her last period in office her combative retirement and the controversy that surrounded her even in death

*The Quarterly Index Islamicus*, 1991 **National Union Catalog**, 1978 Includes entries for maps and atlases

**The Egyptian Revolution** Mohamed El-Bendary, 2013 This book offers a chronicle of and a revealing look at the 2011 Egyptian Revolution and its aftermath The author an Egyptian American journalist living in Egypt detailed the news coverage and man in the street impressions of Mubarak's fall and Mohamed Morsi's struggle to stay in power At home in the U S as well as in Egypt he uses his experience as a journalist to explain for

Americans the confrontation between Islamists and seculars      *The American Economic Review* ,1985 Includes annual List of doctoral dissertations in political economy in progress in American universities and colleges and the Hand book of the American Economic Association      *Egyptian Foreign Policy From Mubarak to Morsi* Nael Shama,2013-10-30 Egyptian Foreign Policy from Mubarak to Morsi explores an area rarely touched upon by researchers the relationship between regime security and the national interest Concentrating on Egyptian foreign policy under President Hosni Mubarak this book analyses how it was used to bolster his internal hold on power In considering Egyptian foreign policy two central case studies are examined Firstly Egypt s reluctance to re establish diplomatic ties with Iran and secondly Egypt s response to the efforts of the Bush administration in promoting political reform in the Middle East When examining these case studies the impact of different societal factors on decision making is taken into consideration highlighting the role of business groups and the security apparatus in foreign policy decision making Concluding with a discussion of Egypt s foreign policy in the first year of Mohamed Morsi s rule and arguing that it has departed little from Mubarak s policy this book is a vital resource for anyone interested in contemporary Egyptian politics Middle East Studies and International Relations more broadly      **Political Science** ,2014      *The Middle East, Abstracts and Index* ,1986      1989, □□□□□□      The History of Egypt Glenn E. Perry,2015-12-01 Providing a valuable resource for readers seeking information on all periods of Egyptian history this book covers Egypt starting from ancient times and continuing through the medieval Islamic period to focus on the events of the last 100 years including the aborted revolution of 2011 Egypt has experienced tumultuous events in recent years especially starting with the uprisings and revolution of 2011 This second edition of The History of Egypt not only provides readers with in depth information on events of the last decade such as the Arab Spring the removal of Hosni Mubarak from office and the protests against Mohamed Morsi s presidency but also provides key background with chapters addressing previous periods of the country s history starting from pre Islamic times to pharaonic to Byzantine The volume offers an objective history of Egypt that is uniquely appropriate for a high school audience This expanded and extensively updated second edition provides new content and media photographs that help bring recent events to life for readers without previous knowledge about the topic It also includes coverage of important events in long ago Egyptian history that lends valuable perspective to events in the 21st century such the nation s transformation into a Muslim and Arab country and Egypt s post 1778 imperialism and modernization through World War I      **Abdel Fattah el Sisi Military Man of Egypt** Sebastian Hale, From coup leader to president Sisi reasserted military dominance in Egypt This book covers his rise economic reform efforts and human rights controversies

This is likewise one of the factors by obtaining the soft documents of this **Mohammad Morsi Biography** by online.
