## **Online How Good Parent Jaqueline Mitchell:**

NPR Michael P. McCauley, 2005 McCauley's work draws on a wealth of primary sources including dozens of interviews with people who have been central to the NPR story. He examines various internal debates about the direction of NPR and the content of its programming. McCauley also places the development of NPR within the historical context of the wider U.S. radio industry, the ideological and political conflicts of postwar America, and contemporary debates about the ways in which mass media can better serve the citizens of a democracy. **BOOK JACKET** *Gender and Sexuality Diversity in a Culture of Limitation* Tania Ferfolja, Jacqueline Ullman, 2020-05-10 *Gender and Sexuality Diversity in a Culture of Limitation* provides an outstanding and insightful critique of the ways that contemporary education is impacted by a range of political, social, and cultural influences that inform the approaches that schools take in relation to gender and sexuality diversity. By applying feminist, poststructural, and Foucauldian frameworks, the book examines the ongoing impact of broader socio-cultural discourse on the lives of gender and sexuality diverse students and teachers. Beginning with an overview of the impact of how a culture of limitation is realised in Australia, the focus moves beyond this context to examine state and federal policies from comparable societies in countries including the USA and the UK, and their effect on the production of knowledges and what is permissible to include in educational curriculum. This research-driven book thus provides a comparative international overview of the current state of gender and sexuality diversity in schools and convincingly demonstrates that despite some empowerment of gender and sexuality diverse individuals, silencing and marginalization remain powerful forces. This book will be of great interest to graduate and postgraduate students, academics, professionals, and policy makers interested in the field of gender and sexuality in education. It is essential reading for those involved in pre-service and in-service teacher education, diversity education, the sociology of education, as well as education more generally. **M/f**, 1986 *John Burnside* Ben Davies, 2020-02-06 Celebrated as a poet, novelist, and non-fiction writer and the winner of numerous major literary prizes including the Whitbread Poetry Prize, the T.S. Eliot Prize, and the James Tait Black Memorial Prize, John Burnside is one of Britain's leading contemporary writers. *John Burnside: Contemporary Critical Perspectives* brings together leading scholars of contemporary literature to guide readers through the full range of the author's writings, from his fiction and poetry to his autobiographical and nature writing. Exploring texts such as *The Dumb House*, *The Light Trap*, *A Lie about My Father*, *Glister*, and *Black Cat Bone*, the book examines the major themes of Burnside's work, including the environment and the natural world, hauntings and dwelling, and his intertextual engagement with philosophy, music, and the visual arts. Featuring a timeline of Burnside's life, an interview with the writer himself, and a detailed list of further reading, this is the first authoritative guide to this major contemporary writer. **Law and Legal Information Directory** Gale Group, 2004 *Law and Legal Information Directory* provides descriptions and contact information for institutions, services, and facilities in the law and legal information industry. **U.S. News & World Report**, 1999 *In Business*, 2003 **Forthcoming Books** Rose
