book to truly integrate coverage of race class gender ethnicity and age continues to win high praise One user writes Miller's  
text offers clarity and an attention to diversity and inequality in human experience that the students really appreciate  
Emphasizing social inequality this contemporary introductory textbook explains how inequalities affect economy kinship  
politics religion and language while still covering the core concepts of cultural anthropology Special Features Integrates  
coverage of contemporary issues such as health systems migration and development throughout the text to highlight the  
practical applications and relevance of cultural anthropological studies More focus on theory in cultural anthropology with a  
new section on the history of theory Ch 1 and more explicit links to theory in the Critical Thinking boxes in every chapter  
Development Anthropology includes new discussions and the latest research on the relationship between development on  
indigenous peoples social inequality and new examples of human resistance in the face of large scale exogenous development  
Ch 16 Back by popular demand Miller's migration chapter People on the Move unique in this market returns as Chapter 15  
New layout larger pages and attractive design combine to make this Third Edition even more accessible to students Boxed  
Features show the interconnection of Anthropology to other disciplines and to career opportunities Lessons Applied  
illustrates how anthropological knowledge impacts the real world through vital contributions to social projects and policy  
Unity and Diversity boxed features present cultural examples from the perspectives of both difference and similarity While  
most writings of cultural anthropologists document variation and diversity it is important to remember that humans  
everywhere share certain features of life in common Critical Thinking boxes present a topic often from two different angles  
and then ask questions that provide critical thinking reviews and possible assignments for students EXAM COPY EDITION
