Box Office ,1959 *We Can Be Superstars: Public Relations and Self-Promotion for the Playwright* Bunny Ultramod,2011-05-08 Ultramod's book is intended for playwrights who are not satisfied with being the anonymous figures behind stage plays relegated to a paragraph or two in a playbill while institutional theaters take a lion's share of the publicity. He makes the case that a playwright's career is dependent on the playwright building their own audience making use of both traditional public relations and innovative web techniques including using social media such as Twitter and Facebook. Ultramod's approach is decidedly outre; he feels that playwrights are the pop stars of the theater world and should be promoted as such. But within his breezy DIY punk approach are real tools for attracting the attention of the press and connecting with an audience. Ultramod draws on decades of experience in theater and in the media to offer readers a wild and witty crash course in press relations, web content creation, audience development, and how to make public misbehavior as entertaining as possible. **Boxoffice Barometer, Combined with Records** ,1949 **Baseball's Most Outrageous Promotions** Joseph Natalicchio,2026-01-07 In major league baseball the period between 1946 and the early 1980s represented the Era of the Barnums when certain inspired owners and executives raised to an art form the use of promotions to increase attendance. This book highlights thirteen of the most outlandish such stunts in major league history. These promotions go far beyond giveaways of Hawaiian shirts or unique bobbleheads. They involved a battle with weapons between baseball players and fans, children running willy nilly around a baseball field, naked fans running the bases, drunken fans trashing baseball fields, fans dismantling a stadium while a game was ongoing, fans managing a game from the stands, women parading in wet T-shirts, mass weddings, the Beatles playing to a half-empty stadium, a mule mascot treated better than players, and an explosion on a baseball field large enough to create a crater. Even wilder promotions are covered in impressive detail in this unique study of major league history. **Showmen's Motion Picture Trade Review** ,1956 **Broadway** Ken Bloom,2013-04-15 This volume is another example in the Routledge tradition of producing high quality reference works on theater, music, and the arts.
