

Planning your digital detox

Get inspired

Thinking of a digital detox is scary by itself. That's why it is essential to find the positive side of it.

Choose the right time

The best period may be the following weekend or vacation, depending on how long you plan it to be.

Choose the limitations

The forms of digital detox differ by the limitations you impose on yourself.

Choose the duration

A two-day detox suffices to reload yourself. 21 days are enough to generate a helpful habit.

Let people know

If others may be affected by your digital detox, you should let them know beforehand.

Plan your activities

Everyone needs something to fill the gaps. And this "something" should be pleasant.
