Gawain and the Green Knight and the Order of the Garter Francis Ingledew, 2006. Francis Ingledew's book makes the case that Sir Gawain and the Green Knight one of the canonical works of medieval English literature should be recognized as a response to King Edward III's foundation in 1349 of the chivalric Order of the Garter. As well as providing the basis for a thorough reinterpretation of the poem's purposes and meanings, this argument dates to the mid-fourteenth century reign of Edward III (1327-77), a poem conventionally ascribed to the reign of Richard II (1377-99). Through close readings of the poem and of an array of overlooked historical sources, Ingledew presents Sir Gawain and the Green Knight as a critique of Edward III's sexual and military behavior. Ingledew's argument takes him deep into chivalric practice in Edward's court of the 1340s, much of it connected with the early years of war with France. Ingledew pursues the significance of sexual scandal associated with Edward, especially the rape of the Countess of Salisbury, confidently imputed to him by the formidable 14th-century historian Jean le Bel. At the same time that he was trying to conquer France and Scotland and preside over a court vulnerable to scandal, Edward also called on the history as it was seen of King Arthur and the Round Table, associating himself with Arthur.

s imperial and moral authority through the founding of the Order of the Garter In its portrayal of the Order of the Garter Ingledew argues Sir Gawain and the Green Knight sets itself at odds with Edward s central ethical and political projects Exhaustively researched and insightfully theorized Ingledew s study proposes historical cultural and discursive contexts for Sir Gawain and the Green Knight more comprehensive and more persuasive than any hitherto attempted It sets an exalted critical and scholarly standard against which to judge future interpretations of this complex and elegant poem Robert Hanning Columbia University *The Living Age* ,1898 **Littell's Living Age** ,1898 **Nomina Agentis in Old English** Karl Kärre,1915 *Nomina Agentis in Old English.
