Native Spirit Oracle Cards Guidebook Denise Linn, 2015

Kindling the Native Spirit Denise Linn, 2015-11-03

Kindling the Native Spirit reveals secrets to enhance your connection to the mysterious forces around you. It's a mystic map that guides the way for you to follow in the footsteps of the wise ones who have gone before you. And in a deeper way, it ignites the majestic native soul that dwells within you, which in turn reestablishes your relationship to the sacred whole. Denise Linn, a member of the Cherokee Nation, has gleaned wisdom from tribal traditions around the world, including the Zulu in Africa, the Maori in New Zealand, the Aborigines of Australia, and various Native American tribes in North America, along with other indigenous cultures. In this groundbreaking book, she shares specific methods to open gateways to mystical encounters and the knowledge that enables you to activate ancient healing practices in your present-day life. You'll learn how to discover your true name, determine your animal ally, embark on sacred spirit journeys, and experience vision quests. In addition, there are step-by-step instructions on how to make a rattle, dream catcher, spirit stick, prayer feather, and your own medicine bag. Denise also shares little-known methods to shape-shift into your ability to call animals, plants, and Spirit, invite the power of the guardians of the four directions, gain protection from your ancestors, spend time with the little people, utilize the power of earthing to bring wholeness, and much more. Ignite your native spirit within and enter a wondrous realm of profound visionary experiences.

Sacred Motherhood Anni Daulter, Niki Dewart, 2016-07-05. Written for mothers seeking to fulfill their soul's work while simultaneously raising future generations, Sacred Motherhood offers women on the path of motherhood a guide back to themselves. It will help you embrace the reality that this is your spiritual life every moment of every day, whether you are at the grocery store, changing diapers, arguing with your partner, snuggling with your baby, or dyeing your teenager's hair pink. Greet the moments when you fall down as awakening opportunities, every bit as holy and powerful as the moments you can drop in and bliss out. Spanning the sacred and the mundane, Sacred Motherhood is both a guide and a journal, enticing you to pause momentarily to reflect and write, and then return to your mothering tasks armed with a fresh perspective, renewed vision, practical tips, and creative ideas for enriching family life. For fifty-two weeks a year of sacred motherhood, the chapters illuminate subjects that are likely to arise as the mothering journey unfolds and present thoughtful prompts and helpful reminders relating to you, your soul, and your child.
