Teaching Middle Level Social Studies Scott L. Roberts, Benjamin R. Wellenreiter, Jessica Ferreras-Stone, Stephanie L. Strachan, Karrie L. Palmer, 2022-03-24 This textbook offers progressive and traditional methods for teaching middle level social studies. It includes chapters on social studies curriculum planning, state history, and integrating core subjects. Features include resources, activities, lesson ideas, student work samples, and standards examination.

Academic Knowledge Construction and Multimodal Curriculum Development Loveless, Douglas J., Griffith, Bryant, Bérci, Margaret E., Ortlieb, Evan, Sullivan, Pamela M., 2013-11-30 This book presents practical conversations with philosophical and theoretical concerns regarding the use of digital technologies in the educational process, challenging the assumption that information accessibility is synonymous with learning.

The Social Studies Professional, 2007 **Visual Literacy in the K-12 Social Studies Classroom** Matt Hensley, Stewart Waters, 2023-08-25 This book combines pedagogical theory and practical strategies to help teachers foster critical thinking and cultural awareness through visual content. It includes visual tools, resources, and lesson plans to create meaningful social studies learning experiences for K-12 students.

Leadership and Personnel Management: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources, 2016-02-17 Strong leaders are essential to the structure of organizations across all industries. Having the knowledge, skill sets, and tools available to successfully motivate, manage, and guide others can mean the difference between organizational success and failure.

Leadership and Personnel Management Concepts, Methodologies, Tools, and Applications presents the latest research on topics related to effective managerial practice as well as the tools and concepts that attribute to effective leadership. Focusing on a variety of topics including human resources, diversity, organizational behavior, management competencies, employee relations, motivation, and team building, this multi-volume publication is ideal for academic and government library inclusion and meets the research needs of business professionals, academics, graduate students, and researchers.

Using Multicultural Literature to Teach K-4 Social Studies Barbara Edwards, J. Allen Queen, 2002 Using Multicultural Literature to Teach K-4 Social Studies: A Thematic Unit Approach will help elementary teachers creatively integrate multicultural literature with K-4 social studies instruction. Using the NCSS themes and grade level relevancy, the authors have included an annotated bibliography of over 350 titles organized by cultural group. Study units include goals, objectives, for social studies and literacy, introductory activities, sequenced lessons, and assessment activities. Stereotypes to avoid in children's literature are also discussed. A reader friendly voice and straightforward organization make this a useful tool for any K-4 teacher.

The Essence of Teaching Social Studies James A. Duplass, 2020-09-30 Designed for use in elementary and secondary social studies education courses, this book supports the teaching of social studies methods in a range of educational settings. By highlighting long-standing content and principles of social studies education in a concise and direct way, this volume offers the building blocks of a comprehensive course for use.

as springboards to the effective presentation of professors desired course emphases With sections on foundations subject areas and best practices this text explains the intersection between the modelling role of social studies teachers as democratic citizens social studies fields of study and strategies implemented in the classroom to encourage students critical thinking and values formation **Teaching Elementary Social Studies** James A. DuPless,2008 Written for the elementary social studies methods course this interactive program combines features of a textbook and a workbook with thorough integration between the print text and a dynamic web site Increasingly majors in elementary education if not the population at large are more attuned to reading interactive material with relatively brief narrative bulleted items text boxes and targeted messages like web pages rather than traditional denser text To accommodate these preferences the layout of the print text features a larger than usual font an 8 x 11 trim size and spiral binding and the content includes an abundance of bulleted lists shaded text boxes and contemporary graphics The program's interactive approach and flexibility allow the professor to model the kinds of teaching principles and practices that students will want to use in their own elementary school classrooms These principles and practices are integrated throughout the text and include a focus on active learning strategies application of constructivist principles focus on Big Ideas and thinking skills use of the Internet and modeling of Best Practices and Performance based assessments based on INTASC and NCATE standard Thus the book will serve as a springboard for classroom activities web site explorations and or instructor led activities
