**How I Build My PC From Scratch**  
Dr RJ Nair, 2020-03-24 I always believe Gaming Video editing and PC building should go hand in hand. Most of the choices of Prebuilt PCs available in the market are all very expensive. I did include all the basic knowledge required to build yourself a nice basic to intermediate level gaming as well as video editing PC. And the configuration and the requirements to build the best gaming video editing PC based on your budget, profession or requirement. This book also includes top components available in the market for this year 2020. PC building is easy to understand simplified steps. This book is the gateway to the world of building your own PC for Gaming and video editing. At the end of the day building PC is like creating life itself breathing moving machines that talk and communicate with you in many ways makes our life easier. The satisfaction you get from this is beyond words. So don't deny yourself from this amazing experience and start building one right now. You will also notice that this has opened up a world of possibilities.
