**The Best Selling Coach** Rebecca Bonnington, Nick Davies, 2025-06-23 Written by a sister and brother team with 35 years of combined experience, this book demystifies business development and offers a simple and highly effective method of selling for business coaches and consultants. Selling professional services, particularly for new or aspiring consultants, can seem daunting and distasteful. This book shows that it doesn't need to be this way, and using a four-stage process, it shows coaches how to first build their confidence and go on to locate, connect, and meet desirable clients virtually or in person. This book guides readers through asking for the sale and keeping control of the business relationship as it develops. Complete with email and letter templates and LinkedIn strategies, many chapters also link to an online course which gives access to downloadable materials.
