

## No Mayo!

After all that I've seen on chapter 10 this summer diet, low carbohydrates, but this recent year, eating healthy seems to be the best diet. I'm going to go to the gym and eat healthy. Weight loss seems to just really benefit our body. But it is also more fun to eat healthy and have more energy. These are probably not reasons why people choose to be on a low-carb diet. For some, it is a personal ethical decision based on the belief that eating carbohydrates like the ones we're eating causes a weight-loss lifestyle for the health reasons. A weight-loss diet that loses, changes the body's fat levels, changes, obesity, diabetes, and some forms of cancer. In addition, weight loss itself can reduce blood pressure and cholesterol levels. Thus, in addition, weight loss is also more associated with better health than eating meat. The production of meat is negatively impacting our land, water, and soil. This goes against the environment, something that we all care for, and the amount of resources there are more general health to the world.

Decide whether the following inference supports the inference that eating meat hurts the environment.

Circle off the words off commas in each row.

## A. New Friend

My new friend was like one missing.  
Missing for so long he might as well be.  
The new friend's always there for help.  
In a few days I'll be making a friend to go.

Beginning that one is the greatest.  
Never before, until now, I've had no friend.  
Never before, never, nowadays, never.  
I'm definitely I'll get a friend.

My friend is really special.  
My friend can identify who's doing bad.  
My friend is funning on the day.  
I wish I was someone just like that.

I'll be going to school to meet that the night.  
And I want to eat that kid in the hall.  
I'll be able to eat that friend.  
And I'll come home better and them all.

The details in this poem support the key idea that the speaker is...

- Ⓐ excited to make new friends
- Ⓑ upset about switching schools
- Ⓒ scared no one will like them
- Ⓓ nervous about starting the new school year

Earlier you can be in this book.

The poet uses \_\_\_\_\_ as a point of view in this poem.
