the Murray family into the world of youth sports one as culturally obsessive as it is economically exclusive where each new
achievement presents more challenges Youth sports is fun but it isn t simple especially for parents determined to raise a
rounded human being In Soccer Dad David tries and sometimes fails to keep his perspective on the frenzied soccer sidelines

sessions with Scout as she navigates the intense pressure of elite college sports On that journey David contends with some of
the essential questions facing parents of talented children How do you guide without steering motivate without pushing and
protect without smothering And how do you learn from other parents their good instincts and their bad With humor and
