Illustrated Study Guide for the NCLEX-PN® Exam - E-Book JoAnn Zerwekh, 2020-12-24 Testing Strategies for the NCLEX PN Examination chapter addresses the challenges of the Next Generation NCLEX and provides targeted strategies for success. UNIQUE Mnemonic cartoons provide a fun easy way to review and remember key nursing concepts and disease processes. More than 2 000 review questions on the companion Evolve website are available in both study and quiz modes and separated by content area allowing customized review based on personal study needs. Examples of Next Generation NCLEX style questions on the companion Evolve website familiarize you with these new types of questions. Answers and rationales are provided for all review questions. Test Alert boxes highlight key concepts frequently found on the NCLEX examination. Alternate item format questions on the companion Evolve website prepare you for these question types on the NCLEX examination. UNIQUE Appendixes for each chapter summarize medications and nursing procedures for quick reference. Nursing Priority boxes make it easier to distinguish priorities of nursing care. Pharmacology tables make key drug information easy to find with high alert medications noted by a special icon. Special icons distinguish pediatric and adult disorders and identify content on self care and home care. A separate chapter on pharmacology and medication administration helps you focus on this area of emphasis on the NCLEX examination.

**Mosby's Tour Guide to Nursing School** Melodie Chenevert, 2010-01-28. Encouraging, user friendly and altogether unique, **Mosby's Tour Guide to Nursing School** encourages you to not only survive nursing school but excel in whichever program you select. Throughout the book, Dr. Chenevert compares your journey through nursing school to a road trip and she offers advice to increase your understanding, help you successfully navigate obstacles and make your journey more enjoyable. You'll learn how to prepare for the NCLEX and your nursing career, how to get good grades, how to deal with failure, how to improve oral and written reports and much more. A must have for every nursing student. Endorsed by the National Student Nurses Association (NSNA). Written by a nationally known motivational speaker and nurse, the book's down to earth approach uses humor and clever analogies to clearly teach the information you need to know. Uses the analogy of a cross country road trip to help you see the

relationships between different aspects of nursing school as well as give you a finite view of its duration and end result. Inspirational quotes throughout offer wisdom and encouragement from fellow nursing students and graduates. The appendix lists numerous diverse resources you'll find useful before, during, and after nursing school. Electronic Age Information covers distance learning online courses and podcasts facilitating your success both in today's electronic classroom and with the advancing technology in nursing. A special NCLEX chapter, Chapter 29 Are We There Yet Almost, provides you with the tools you need to prepare for and pass the NCLEX. Updated statistics and information on the emerging trends of the workforce keep you current with what's happening in the world outside nursing and help you make educated choices during nursing school. Three chapters are devoted to diversity in today's workforce and the non-traditional student. Thorough coverage of ADN, BSN, and RN BSN programs, program prerequisites, differences, and more helps you make informed decisions about your choice of nursing programs. An appendix of Online Resources provides quick and easy access to web sites that will assist both students and graduates with continued study and real world advice.
